Word Origin & History

-ism: suffix forming nouns of action, state, condition, doctrine, from Fr. -isme, from L. -isma, from Gk. -isma, from stem of verbs in -izein. Used as an independent word, chiefly disparagingly, from 1680.

Only = Absolute

Absolute = total, complete, unqualified, unconditional, unlimited, supreme, fixed. Therefore ONLY ONE! ONLYISM is therefore = to ABSOLUTISM.

If you are an onloyist then you are an absolutist. If you believe God only wrote ONE Bible then you are a Bible Onlyist. If you believe that Bible to be the King James Bible: then you are a King James Onlyist! It is funny that the people that coined that are Original Manuscript Onlyists! And the Original Manuscripts do not even exist!

Someone is trying to lie, deceive and steel your Bible from you.
