

The King James Bible is Superior

By: David A. Sargent

The King James Bible is comparatively superior in every way:

1 John 4:2-3, “Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God: And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world.”

With an equal balanced test according to Proverbs 11:1, “A false balance is abomination to the LORD: but a just weight is his delight.”

Where the actual test in both verses is the same confession: “Jesus Christ is come in the flesh.” This confession is in the present tense: “is” and in both verses it is the exact same confession making a just balance.

The modern versions do not do this and by their lack of the confession in verse 3, they admit by that lack of confession that they are produced, designed, published by the spirit of antichrist. They are a product of flagrant error. This error is a production neither of scholars nor of just men. These errors are subject to the master mind behind the scene. One who hates the words of God and hates every human being. This is seen in the passage in question in light of what is altered and what is removed. If you do not know what a false spirit WILL confess all you have to do is look up when that happened. Mark 5:1-9 and in particular look at this verse: Mark 5:7, “And cried with a loud voice, and said, What have I to do with thee, Jesus, thou Son of the most high God? I adjure thee by God, that thou torment me not.” Look at this in your modern version and then in that same version look at 1 John 4:3 and the confession that this devil is NOT supposed to confess.

If you are not sure about this check out your particular version and look up the confessions of devils where they are in people and Christ shows up! Look at 1 John 4:3 in that version! Something is wrong there!

If you still are not sure then look up Luke 4:8 and compare your favorite version with the King James Bible and tell me WHY did they add “...get thee behind me Satan...” in the text, if it is missing from your version? There is NO motive for adding this; but there is a motive for subtracting this because the bottom line is that

Satan is the ultimate Bible corrector! And yet again this shows that spirit of antichrist at work in the modern perversions.

The Translators to King James about King James

“...by writing in defence of the Trueth, (which hath given such a blow unto that man of Sinne, as will not be healed)...”

King James himself was a writer who wrote in defence of the Truth against that man of sin that they all knew was the Pope.

From The Epistle Dedicatory to King James: “...So that, if on the one side we shall be traduced by Popish persons at home or abroad, who therefore will maligne us, because we are poore Instruments to make GODS holy Trueth to be yet more and more knowen unto the people, whom they desire still to keepe in ignorance and darknesse: or if on the other side, we shall be maligned by selfe-conceited brethren, who runne their owne wayes, and give liking unto nothing but what is framed by themselves, and hammered on their Anvile...”

The two groups are the Papists and the other are self-conceited brethren (the elitists Calvinists). These were the two groups that were totally against the publishing of the King James Bible.

The King James Bible is the ONLY Bible that bears the name of God as its NAME:

Isaiah 41:21, "Produce your cause, saith the LORD; bring forth your strong reasons, saith the King of Jacob."

Who is the King of Jacob?

The End
