

The King's Bible bears the Authority of the King!

By: David A. Sargent

That is why it is the King James Bible and the Authorized Version; NOT because of King James; but because of the **King of Jacob**. That is the Lord Jesus Christ who Authorized the King's Bible in the King's English and called it by His name. It is God's pure words TO ME!

Psalms 12:6-7, "The words of the LORD are pure words: as silver tried in a furnace of earth, purified seven times. Thou shalt keep them, O LORD, thou shalt preserve them from this generation for ever."

3 sets of 7

$3 \times 7 = 21$ & $21 \times 37 = 777$

Revelation 5:1, "And I saw in the right hand of him that sat on the throne a book written within and on the backside, sealed with seven seals."

Isaiah 41:21, "Produce your cause, saith the LORD; bring forth your strong reasons, saith the King of Jacob."

Who is the King of Jacob? That would be the Lord God Almighty! Did you know that Jacob in Hebrew is יַעֲקֹב which is transliterated into Greek as Ἰάκωβος and translated as James? Who is the King of James? Did you know that King James' God was the Lord God Almighty and that his saviour was the Lord Jesus Christ? The King James Bible is so named by God for a REASON.

God's words are Pure, Perfect and Preserved

Proverbs 30:5, "Every word of God is pure: he is a shield unto them that put their trust in him."

Psalms 18:30, "As for God, his way is perfect: the word of the LORD is tried: he is a buckler to all those that trust in him."

Psalms 12:6-7, "The words of the LORD are pure words: as silver tried in a furnace of earth, purified seven times. Thou shalt keep them, O LORD, thou shalt preserve them from this generation for ever."

God's word is eternal, everlasting & incorruptible

1 Peter 1:23-25, "Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever. For all flesh is as grass, and all the glory of man as the flower of grass. The grass withereth, and the flower thereof falleth away: But the word of the Lord endureth for ever. And this is the word which by the gospel is preached unto you."

Notes:

Technically Coverdale was the completion of Tyndale's work. And Wycliffe altered the text not using the Antiochian text base. There are other issues with the list: Douay-Rheims is based on the Latin but NOT the old Latin and it is skewed in many places. Coverdale used Tyndale's work and completed it. Tavernier's Bible was a rework of Matthew's Bible.

There are issues with all the precursors of the King's Bible. The Great Bible was authorized by Henry the 8th but for unbiblical reasons. It was mainly political and personal. The Geneva Bible favored by the Calvinist had Calvinistic notes and was favored by the Puritans while The Bishops' Bible was favored by the Bishops of the Church of England. Both the Puritans and the Bishops were at odds when King James ascended the throne of England and arbitrated the concerns between these two groups where the end was to authorize one last translation of the Bible that would end this conflict and put both groups together to do the work of translation seeing each group would be forced to translate correctly and not with any skewed doctrine that did not actually show up in the passages. This check and balance was what made that Bible THE Bible of the end times.

Because of the issues between the Papist and the Protestants and the Calvinists there arose a King in England that saw through all these things and produced the King's Bible in 1611 that surpassed all previous Bibles and is superior to all Bible versions that came after it. And in 1881 the Westcott and Hort papist replacement text base from Alexandria Egypt and the Science of Textual Criticism attempted to replace the King's Bible. This was then used by the Nestle-Aland Greek text and are the basis for all modern perversions that alter the text from the King's Bible.
