

# Calvinism in a NUT Shell

By: David A. Sargent

In the Bible the will is SO free the words at STUCK TOGETHER! FREEWILL. You will NOT find the words free will because that represents a separate freedom of the will: however FREEWILL shows the will to be absolutely FREE from the Calvinistic fatalist mentality of pagan pentagram points so typical of the elitist philosophy perpetrated by the murderous villainous Jean Chauvin AKA John Calvin who STOLE the words from AUGUSTINE a ROMAN CAT-HOLIC. It should not be called Calvinism, but Chauvinism! It is a tyrannical paganistic philosophy originated by Augustine to infiltrate the ranks of the protestant reformation but not to bring them back to Rome perse; but to bring ROME into them!

Calvin was an Infant Water Baptizer: WHY? Supposedly he did not believe water saved; so why baptize infants? He also called water baptism a sacrament: WHY? If water doesn't have any saving grace in it! These two things are inconstant with his supposed belief that only Jesus Saves and water does nothing for your salvation. SO, what will you believe about HIM. Two things point to him believing water saves even though he SAID he didn't. Yet in his WORKS he denies what he SAYS! That would make him a hypocrite, a liar, and an undercover ROMAN PAPIST!

Calvin also taught that the Lord's Supper was a sacrament! WHY? If it has NO saving grace then it as is water baptism just an ordinance. The word sacrament means SACRED of or maintaining in full or part some form of grace needed for entrance into heaven. IF this be the case: this would make him a hypocrite, a liar, and an undercover ROMAN PAPIST!

That's 2 strikes! Want to go for 3?

Calvin accused Servitus of being heretic in a time when this accusation would undoubtedly lead to bring burned at the stake. Calvin KNEW this and proceeded in bringing Servitus up on charges. Calvin was also taught that the state and church are inseparable; and that heretics should be killed. BOTH practices are not only unbiblical; they are both tyrannical, diabolical and both line up with ROMANISM! This is not only a strike 3; but a foul ball on the part of Calvinism and the person himself. WHY? Because all this adds up to ONE conclusion: John Calvin AKA Jean Chauvin was a hypocrite from crown to soul, a liar from head to toe, and an undercover ROMAN PAPIST through and through!

Of the doctrines he STOLE from Augustine:

1. Total Depravity: these two words together constitute an oxymoron. As if depravity is not enough!
2. Unconditional Election: these two words together constitute an oxymoron. All elections are conditional: I'm sure YOU voted too.
3. Limited Atonement: these two words together constitute an oxymoron. The Atonement could never have been limited because the atonement paid for more than sin, it paid for sin, sins, and the sinner. It also covered the curse on the EARTH, and BY it God reconciled ALL THINGS in HEAVEN and in EARTH to himself. NOT just people; but things TOO.
4. Irresistible Grace: these two words together constitute an oxymoron. If grace is FORCED being irresistible HOW then is it grace? Only a TYRANT would ENFORCED by fear of bring MURDERED this HATEFUL doctrine.
5. Perseverance of the Saints: these two words together constitute an oxymoron. HOW can the Saint be responsible for HIS own preservation by persevering if this is NOT how he GOT saved in the first place? We are saved THROUGH faith and we are to walk IN FAITH. GOD is the one that preserves us by sealing us with that Holy Spirit of promise.

What you have in a NUT shell is the diabolical abstract philosophical nuances of the ELITIST mentality of a paganistic Roman Papist BENT on making YOU fail in your Christianity. By mixing these damnable doctrines of devils with your theology that you learn JUST from reading your Bible and TRUSTING God to give you LIGHT instead of the BLACK light of Calvinism.
