

# The Shroud of Turin Hoax

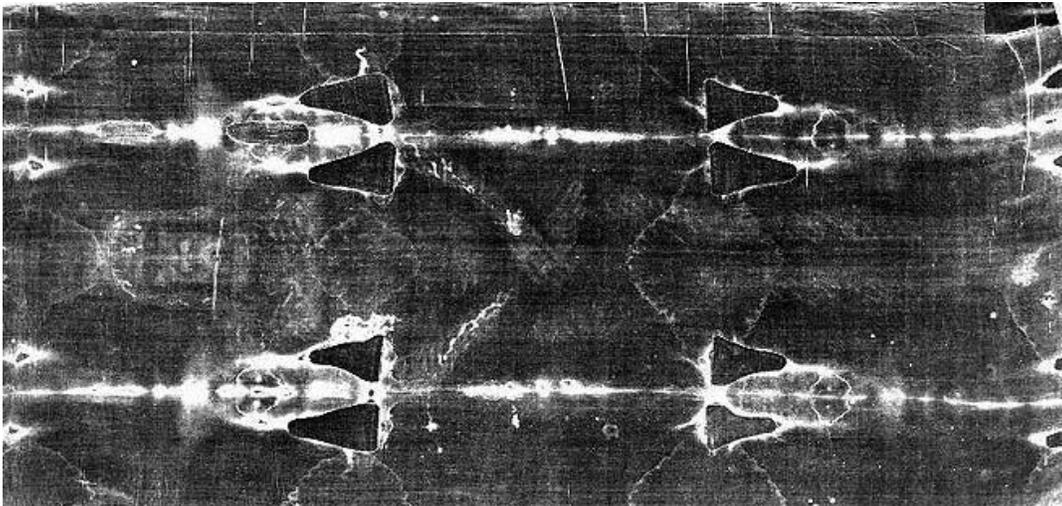

By: David A. Sargent

Everyone should know how to recognize a fake by knowing what the truth is. Deception can only be accomplished when the ones being deceived do not know how to spot the fake or discern a lie. So how do you know that the Shroud of Turin is a Hoax? This is one of the simplest deceptions to unravel, because there are verses in the Bible that tell you how the Lord Jesus Christ was wrapped for burial. Now if you are a Bible Believer, you will recognize the Bible as the final authority in all matters of faith and practice and is the standard whereby you judge all things including yourself.

If however you are NOT a Bible Believer; you will probably fall for just about anything and / or everything that comes down the pike. That being said, you should know that I am a Bible Believer and will prove beyond any shadow of doubt from the Bible that the Shroud of Turin is in FACT a hoax, a fraud, and a lie.

This study will be very short and to the point because this is just too easy to prove that it requires very little effort or time. So let's get to it now:

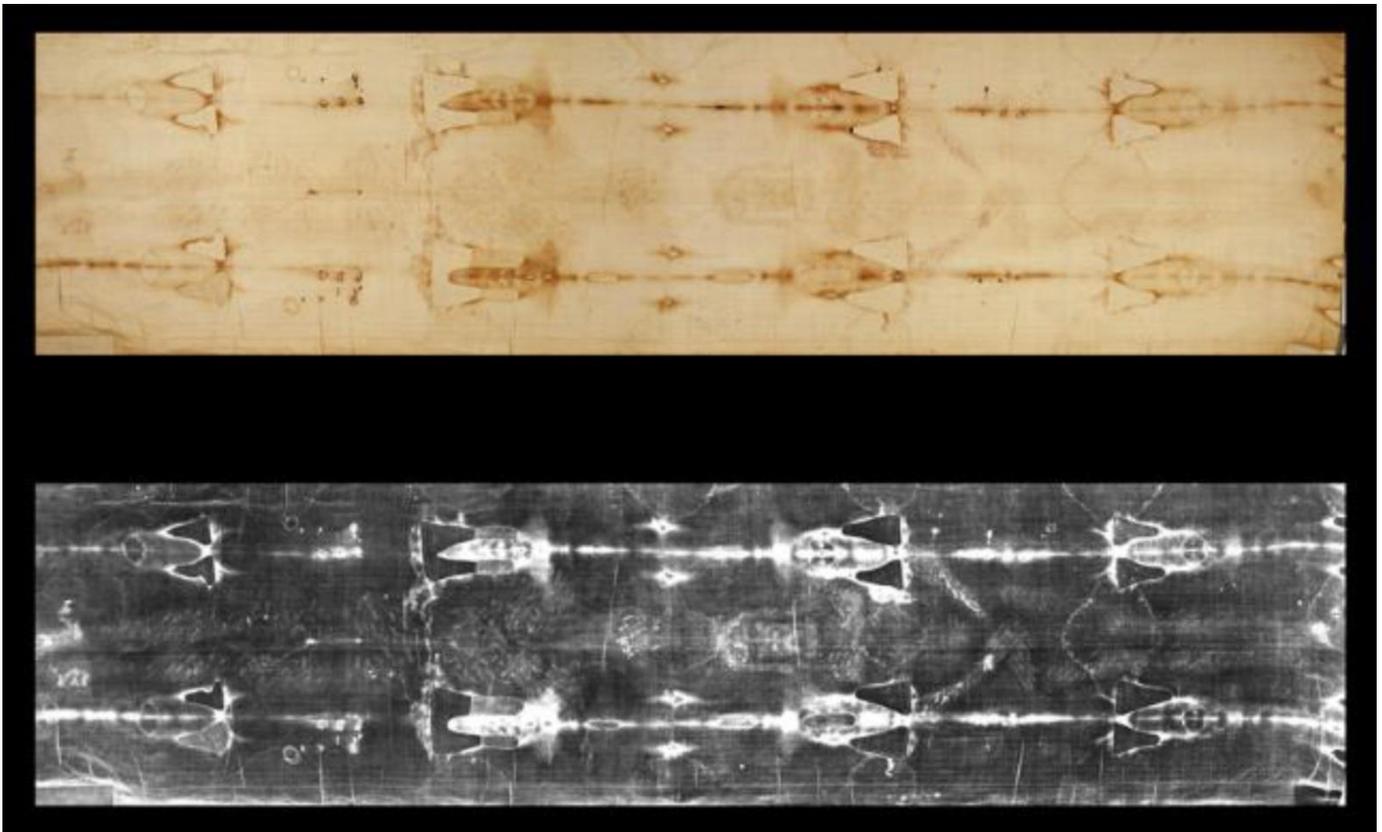

The Shroud itself as a witness: A full body accidental photograph of what appears to be a

man that was crucified and buried with this wrapped head to toe front to back. Aside from obvious image issues let's take the Bible view of this:

John 20:1-10, “The first day of the week cometh Mary Magdalene early, when it was yet dark, unto the sepulchre, and seeth the stone taken away from the sepulchre. Then she runneth, and cometh to Simon Peter, and to the other disciple, whom Jesus loved, and saith unto them, They have taken away the Lord out of the sepulchre, and we know not where they have laid him. Peter therefore went forth, and that other disciple, and came to the sepulchre. So they ran both together: and the other disciple did outrun Peter, and came first to the sepulchre. And he stooping down, and looking in, saw the linen clothes lying; yet went he not in. Then cometh Simon Peter following him, and went into the sepulchre, and seeth the linen clothes lie, And the napkin, that was about his head, not lying with the linen clothes, but wrapped together in a place by itself. Then went in also that other disciple, which came first to the sepulchre, and he saw, and believed. For as yet they knew not the scripture, that he must rise again from the dead. Then the disciples went away again unto their own home.”

Notice verse 7, “And the napkin, that was about his head, not lying with the linen clothes,

but wrapped together in a place by itself.”

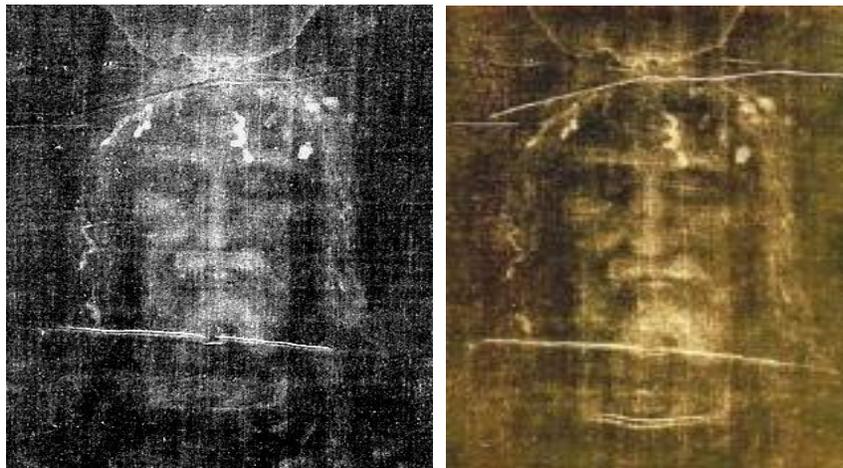

So according to the Bible the head was wrapped SEPRATELY with a napkin and it was not with the linen clothes and it was wrapped together still in a place BY ITSELF. Interestingly

the Shroud of Turin has a distinctively different wrapping than what the Bible says. So you pick: which one is the truth? This is not rocket science. If you are a Bible Believer, the Shroud of Turin is a FAKE. If you are a Bible Corrector, then there are no perfect Bibles and the Shroud of Turin could be true, who knows. Right?

The Shroud of Turin is connected at the head! Leaving no room for a “napkin” to be wrapped around the head and there is a clear imprint of a face on the head front and back with what appears to be places where a crown of thorns were placed. This shows the Shroud to be a fraud and not just some other person, but someone was trying to make this to be Jesus Christ when it is NOT.

If this were The Lord Jesus Christ there would only be a body with no head: or a napkin separate from the body. This discrepancy shows that the Shroud of Turin is not only a fake, a fraud, a hoax but an out and out LIE. Anyone who believes the Bible has no reason to spend more than three pages on this subject; and that may be way too much.
