

# There Were Giants In The Earth In Those Days

By: David A. Sargent

Genesis 6:4, “There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.”

Notice that the Giants where there BEFORE the sons of god came, and they were here AFTER

that... They were NOT the product of this relationship. The product of the sons of God and the daughters of men were: “...mighty men which were of old, men of renown.” NOT the Giants... They are something ELSE! They existed before and AFTER the flood. These products of the fallen ones and daughters of men got drowned out. BUT the giants remained in the blood line of someone that came across in the ark. The offspring of the sons of God and daughters of men died like men,

and the spirits of them are the unclean spirits of devils. The Angels the fell are reserved in chains of darkness. But the Giants remain in the genes through Ham’s wife and show up after the flood.

## Anakims & Nethinims

Numbers 13:22, “And they ascended by the south, and came unto Hebron; where Ahiman, Sheshai, and Talmai, **the children of Anak**, were. (Now Hebron was built seven years before Zoan in Egypt.)”

So the giant named Anak had three sons: Ahiman, Sheshai and Talmai. So the sons or children of Anak mentioned elsewhere are talking about these three sons and their children.

Numbers 13:28, “Nevertheless the people be strong that dwell in the land, and the cities are walled, and very great: and moreover we saw **the children of Anak** there.”

Numbers 13:33, “And there we saw **the giants, the sons of Anak, which come of the giants: and we were in our own sight as grasshoppers, and so we were in their sight.**”

Deuteronomy 1:28, “Whither shall we go up? our brethren have discouraged our heart, saying, The people is **greater and taller** than we; the cities are great and walled up to heaven; and moreover we have seen **the sons of the Anakims** there.”

The three sons of Anak are the Anakims and so the sons of the Anakims are descendants of the sons of Anak.

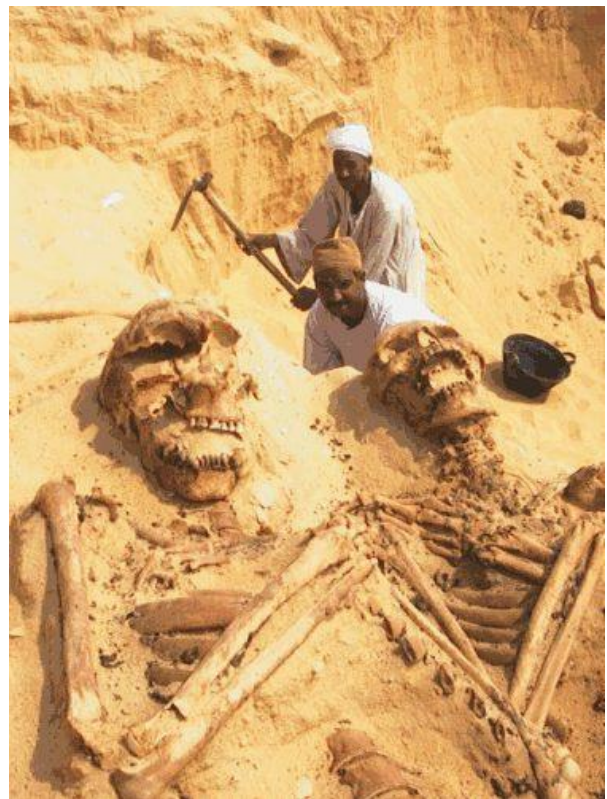

Deuteronomy 2:10-11, “**The Emims** dwelt therein in times past, a people **great**, and many, and **tall, as the Anakims**; Which also were accounted **giants, as the Anakims**; but the Moabites call them **Emims.**”

So, the Emims are for the most part the same as the Anakims.

Deuteronomy 2:21, “A people **great**, and many, and **tall, as the Anakims**; but the LORD destroyed them before them; and they succeeded them, and dwelt in their stead:”

Deuteronomy 9:2, “A people **great and tall, the children of the Anakims**, whom thou knowest, and of whom thou hast heard say, Who can stand before **the children of Anak!**”

Joshua 11:21-22, And at that time came Joshua, and cut off the **Anakims** from the mountains, from Hebron, from Debir, from Anab, and from all the mountains of Judah, and from all the mountains of Israel: **Joshua destroyed them utterly with their cities.** There was **none of the**

**Anakims left in the land of the children of Israel: only in Gaza, in Gath, and in Ashdod, there remained.”**

Notice the destruction of the Anakims was not complete they had a remnant left in Gaza, Gath and Ashdod.

Joshua 14:12-15, “Now therefore give me this mountain, whereof the LORD spake in that day;

for thou heardest in that day how **the Anakims** were there, and that the cities were great and fenced: if so be the LORD will be with me, then I shall be able to drive them out, as the LORD said. And Joshua blessed him, and gave unto Caleb the son of Jephunneh Hebron for an inheritance. Hebron therefore became the inheritance of Caleb the son of Jephunneh the Kenezite unto this day, because that he wholly followed the LORD God of Israel. And the name of

Hebron before was Kirjatharba; which **Arba was a great man among the Anakims**. And the land had rest from war.”

Now we see that Arba was great among the Anakims because he is the father of Anak.

Joshua 15:13-14, “And unto Caleb the son of Jephunneh he gave a part among the children of Judah, according to the commandment of the LORD to Joshua, even **the city of Arba the father of Anak**, which city is Hebron. And Caleb drove thence **the three sons of Anak, Sheshai, and Ahiman, and Talmi, the children of Anak.**”

So Arba begot Anak who begot Sheshai, Ahiman and Talmi.

Joshua 21:11, “And they gave them the city of **Arba the father of Anak**, which city is Hebron, in the hill country of Judah, with the suburbs thereof round about it.”

So Hebron is one of the locations of the Giants. They were driven out of Hebron but were not completely wiped out. They were in Gaza and in Gath where Goliath was from and in Ashdod.

Judges 1:20, “And they gave Hebron unto Caleb, as Moses said: and he expelled thence **the three sons of Anak.**”

Now here are some of the passages about Giants with Strong’s Concordance Numbers:

Deuteronomy 2:20, “(That also was accounted a land of **giants** <07497>: **giants** <07497> dwelt therein in old time; and the Ammonites call them **Zamzummims** <02157>;”

Deuteronomy 3:11, “For only **Og** <05747> king of Bashan remained **of the remnant** <03499> **of giants** <07497>; behold, his bedstead was a bedstead of iron; is it not in Rabbath of the children of Ammon? nine cubits was the length

thereof, and four cubits the breadth of it, after the cubit of a man.”

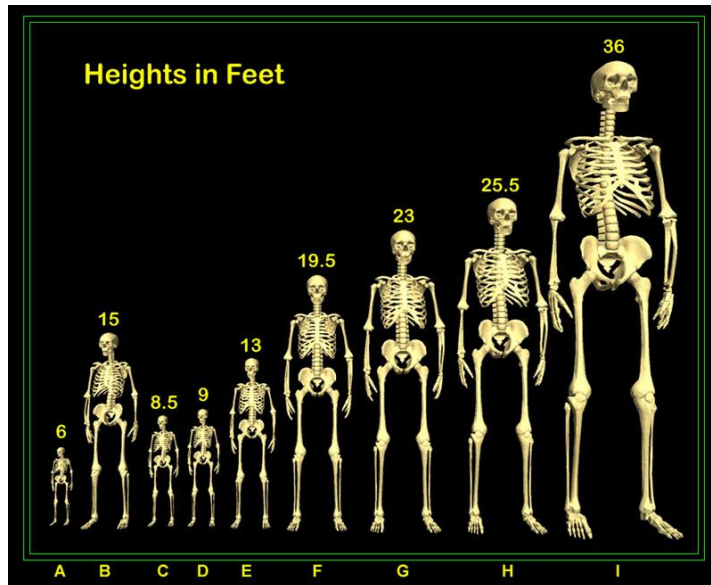

Deuteronomy 3:13, “And the rest of Gilead, and all Bashan, being the kingdom of **Og** <05747>, gave I unto the half tribe of Manasseh; all the region of Argob, with all **Bashan** <01316>, which was called **the land** <0776> **of giants** <07497>.”

Joshua 12:4, “And the coast of **Og** <05747> king of **Bashan** <01316>, which was **of the remnant** <03499> **of the giants** <07497>, that dwelt at **Ashtaroth** <06252> and at **Edrei** <0154>,”

Joshua 13:12, “All the kingdom of **Og** <05747> in **Bashan** <01316>, which reigned in **Ashtaroth** <06252> and in **Edrei**, who remained **of the remnant** <03499> **of the giants** <07497>: for these did Moses smite, and cast them out.”

Joshua 15:8, “And the border went up by the valley of **the son** <01121> **of Hinnom** <02011> unto the south side of the Jebusite; the same is Jerusalem: and the border went up to the top of the mountain that lieth before the valley of Hinnom westward, which is **at the end** <07097> **of the valley** <06010> **of the giants** <07497> northward:”

Joshua 17:15, “And Joshua answered them, If thou be a great people, then get thee up to the wood country, and cut down for thyself there in the land of the Perizzites and of **the giants** <07497>, if mount Ephraim be too narrow for thee.”

Joshua 18:16, “And the border came down to the end of the mountain that lieth before **the valley** <01516> **of the son** <01121> **of Hinnom** <02011>, and **which is in the valley** <06010> **of the giants** <07497> on the north, and descended to the valley of Hinnom, to the side of Jebusi on the south, and

descended to Enrogel,”

Ezra 2:43-58, “The **Nethinims** <05411>: the children of Ziha, the children of Hasupha, the children of Tabbaoth, The children of Keros, the children of Siaha, the children of Padon, The children of Lebanah, the children of Hagabah, the children of Akkub, The children of Hagab, the children of Shalmali, the children of Hanan, The children of Giddel, the children of Gahar, the children of Reaiah, The children of Rezin, the children of Nekoda, the children of Gazzam, The children of Uzza, the children of Paseah, the children of Besai, The children of Asnah, the children of Mehunim, the children of Nephusim, The children of Bakbuk, the children of Hakupha, the children of Harhur, The children of Bazluth, the children of Mehida, the children of Harsha, The children of Barkos, the children of Sisera, the children of Thamah, The children of Neziah, the children of Hatipha. The children of Solomon's servants: the children of Sotai, the children of Sophereth, the children of Peruda, The children of Jaalah, the children of Darkon, the children of Giddel, The children of Shephatiah, the children of Hattil, the children of Pochereth of Zebaim, the children of Ami. All the **Nethinims** <05411>, and the children of Solomon's servants, were three hundred ninety and two.”

1 Chronicles 5:19, “And they made war with the Hagarites, with Jetur, and **Nephish** <05305>, and Nodab.”

Ezra 2:50, “The children of Asnah, the children of Mehunim, the children of **Nephusim** <05300> <05304>,”

## The Philistine Giants of Gath:

1 Samuel 17:4, “And there went out a champion out of the camp of the Philistines, named Goliath, of Gath, whose height was six cubits and a span.”

1 Samuel 17:23, “And as he talked with them, behold, there came up the champion, the Philistine of Gath, Goliath by name, out of the armies of the Philistines, and spake according to the same words: and David heard them.”

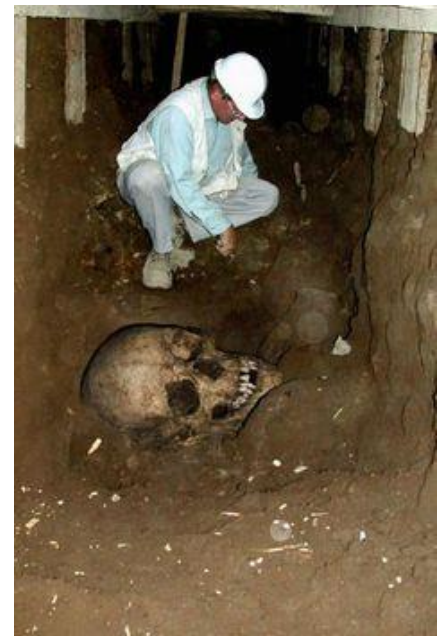

1 Samuel 21:9, “And the priest said, The sword of Goliath the Philistine, whom thou slewest in the valley of Elah, behold, it is here wrapped in a cloth behind the ephod: if thou wilt take that, take it: for there is no other save that here. And David said, There is none like that; give it me.”

1 Samuel 22:10, “And he enquired of the LORD for him, and gave him victuals, and gave him the sword of Goliath the Philistine.”

2 Samuel 21:19-22, “And there was again a battle in Gob with the Philistines, where Elhanan the son of Jaareoregim, a Bethlehemite, slew the brother of Goliath the Gittite, the staff of whose spear was like a weaver's beam. And there was yet a battle in Gath, where was a man of great stature, that had on every hand six fingers, and on every foot six toes, four and twenty in number; and he also was born to the giant. And when he defied Israel, Jonathan the son of Shimea the brother of David slew him. These four were born to the giant in Gath, and fell by the hand of David, and by the hand of his servants.”

1 Chronicles 20:5, “And there was war again with the Philistines; and Elhanan the son of Jair slew Lahmi the brother of Goliath the Gittite, whose spear staff was like a weaver's beam.”

So we see that the giants came through the line of the Philistines:

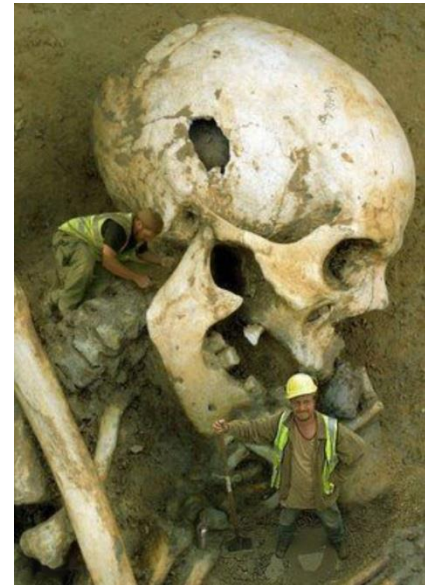

Genesis 10:6-14, “And the sons of Ham; Cush, and Mizraim, and Phut, and Canaan. And the sons of Cush; Seba, and Havilah, and Sabtah, and Raamah, and Sabtechah: and the sons of Raamah; Sheba, and Dedan. And Cush begat Nimrod: he began to be a mighty one in the earth. He was a mighty hunter before the LORD: wherefore it is said, Even as Nimrod the mighty hunter before the LORD. And the beginning of his kingdom was Babel, and Erech, and Accad, and Calneh, in the land of Shinar. Out of that land went forth Asshur, and builded Nineveh, and the city Rehoboth, and Calah, And Resen between Nineveh and Calah: the same is a great city. And Mizraim begat Ludim, and Anamim, and Lehabim, and Naphtuhim, And Pathrusim, and Casluhim, (out of whom came Philistim,) and Caphtorim.”

The sons of Ham; Cush, and Mizraim, and Phut, and Canaan

Ham’s son Cush begot Nimrod king of Babel, Erech, Accad and Calneh in the land of Shinar.

Ham’s son Mizraim begot Casluhim who begot **Philistim** who is the father of the Philistines. So Philistim is 3 generations from Noah.

Mizraim’s sons are Ludim, Anamim, Lehabim, **Naphtuhim**, Pathrusim, Casluhim, and Caphtorim.

So we see that the gigantism spread after the flood through the seed of Ham’s sons the probability is that the genome was from Ham’s wife: more than likely from Cain’s line. Thus the first born after the flood was by Ham and his name was Canaan and he was cursed like Cain was cursed. The two first born children. The last of Cain’s line given in the genealogy:

Genesis 4:19-22, “And Lamech took unto him two wives: the name of the one was Adah, and the name of the other Zillah. And Adah bare Jabal: he was the father of such as dwell in tents, and of such as have cattle. And his brother’s name was

Jubal: he was the father of all such as handle the harp and organ. And Zillah, she also bare Tubalcain, an instructor of every artificer in brass and iron: and the sister of Tubalcain was Naamah.”

Is this Naamah the wife of Ham? Tubalcain also had bloodletting issues like Cain. This line as the direct descendants of Cain who bore a mark passed this through the seed through the wife of Ham and after the flood the UV rays exposed the mark in the skin showing up as a dark spot or

freckle in the races of man. The Gigantism spread more selectively and showed up in Og and his sons and Arba the father of Anak and his sons Sheshai, and Ahiman, and Talmai. Interestingly it is also Naphtuhim the uncle of Philistim has a connection with the giants and the giants of Gath were from Philistim. Arba was of this same extraction of gigantism and produced a whole race of giants.

It is possible Noah had help from some of the Giants in the building of the Ark. Giants could have also been responsible for the building of the great pyramid with the help of the fallen Angels or their children before the flood. Giants covered the world and their evidence shows up in many monolithic structures. A monolith is a large stone which has been used to build a structure or monument, either alone or together with other stones. In this list at least one colossal stone over ten tons has been moved to create the structure or monument.
