

# WHAT HAPPENED TO THOSE GIANTS IN GENESIS 6

By: David A. Sargent

What happened to those giants in Genesis 6, where could be their possible location right now?

Genesis 6: 4 “These were giants in the earth in those days: and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.”

They died:

Psalms 82:6-7, “I have said, Ye are gods; and all of you are children of the most High. But ye shall die like men, and fall like one of the princes.”

The giants of Genesis 6 were GIANT; not just TALL PEOPLE like today. They were MASSIVE in size! The Genesis account of these Giants also includes the men of renown; or the supermen! Some might even call them X-men! The men of renown could also have had the gigantism

genome as they are also called mighty men; however, they are not the same in essence as the giants were already there when the sons of God came in unto the daughters of men. The product of this union had to be dissolved in

the flood. The gigantism genome that is still in our genetics is NOT from the union of the Angels and people. They were drowned out and became the devil's angels: familiar spirits; and the gods or abominations of the nations and are trying to inhabit new bodies by demonic subjugation.

The Giants were not the offspring of fallen angels called the sons of God of Genesis 6.

These sons of God were supernatural beings and would be impervious to space flight and would have superior knowledge of things. It is impossible that some of these beings escaped to another planet or went underground and survived Noah's flood. This would be against Jude 1:6, "And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day." However the children

born from the sons of God and the daughters of man were "...mighty men which were of old, men of renown." Both the sons of God and these died in the Noadic flood sending the sons of God to "...everlasting chains under darkness..." and their children became the disembodied spirits called devils.

### **The Nephilim (Nephil) are Giant Beings:**

**Nepthalim** <05308>: נַפְּלִים: nef-al': corresponding to **05307**: fall (down), have occasion. See also: <05309>

**Naphal** <05307>: נָפַל: naw-fal': to fall; in a great variety of applications: cast (down, out),

cease, die, divide (by), fall (cause to, let, make, ready to) fall (away, down) fell (-ing), fugitive, have [inheritance], inferior, he judged [by mistake for 06419], lay (along), (cause to) lie down, light (down), be (x hast) lost, lying, overthrow, overwhelm, perish, present (-ed, -ing), (make to) rot, slay, smite out, x surely, throw down.

**Nephilims** <05303>: נְפִילִים: nef-eel' or נָפֵל: nef-eel': from **05807**: a feller, i.e. a bully or tyrant: **giant**. See also: <05301>, <05310>, <05311>, <05315> compared to <05203>.

The evidence is overwhelming "...There were giants in the earth in those days..." Genesis 6:4a and also after that, or after the flood, or after the sons of God mingled with the daughters of men procreating "...mighty men which were of old, men of renown." That God destroyed in the flood. So we see that from Genesis 6 that there are 4 groups of beings involved:

1. Genesis 6:2 - The sons of God - Jude 1:6, "the angels which kept not their first estate..." (See: Job 1:6, 1:2 & 38:4-7 for the sons of God)

2. Genesis 6:2 - The daughters of men - Genesis 5:4, "...and he (Adam) begat sons and daughters..." This happens to all the lists on Seth's and Cain's sides, both are the daughters of men.
3. Genesis 6:4 - There were giants in the earth in those days - and also after that: Numbers 13:33, "...the giants, the sons of Anak..." They were there before the angels and human copulation and they were there after that happened and after the flood. They did not get as large after the flood because people did not live as long.
4. Genesis 6:4 - Mighty men which were of old, men of renown – These became disembodied spirits or the familiar spirits the devils or Satan's angels. They did not fall with Satan when he was Lucifer; he was a lone wolf on that. These men of renown did not fall at all they were born that way. They were the product of an abomination between the angels of God and human women (this suggests that Satan had his hands on this because he mingled among the sons of God (See: Job 1:6, 1:2.) They were therefore human flesh spirits **without** souls. These became the abominations of the nations listed in the Bible.

The giants however were just big humans: Adamic in nature with souls however with a larger cap in their genetics with the gigantism genome.
