

THE BOOK OF MORMON SCAM IS IT ANOTHER TESTAMENT OF JESUS CHRIST?

By: David A. Sargent

Galatians 1:6-9, "I marvel that ye are so soon removed from him that called you into the grace of Christ unto **another gospel**: Which is not another; but there be some that trouble you, and would **pervert the gospel of Christ**. But though we, or an angel from heaven, preach **any other gospel** unto you than that which we have preached unto you, let him be accursed. As we said before, so say I now again, If any man preach **any other gospel** unto you than that ye have received, let him be accursed."

I recently got a letter from someone that read: "Hello David...I hope you don't mind me sharing some thoughts. But I was so amazed at the depths of your study and the lengths you went to trying to prove that the Book of Mormon is false...please I do not mean to offend you either...but you seem like a very smart and very educated man...and it reminds of the time when our Lord and savior Jesus Christ was only 12 years old....yet his parents found him at the temple teaching and confounding the so called wise men of the world. You seem to be very familiar with Joseph Smith's history so you would know that he was not very educated at all...in fact he only had up to an 8th grade education...so in the worlds standard....don't you think he did such a marvelous job??...what a great imagination he has...especially a poor farm boy who has never been anywhere out of the eastern states let alone familiar with Jewish cultures...etc..etc. Seeing you've dissected the book so much...I would strongly suggest that you put it to the test given by the prophet Moroni, found in Moroni chapter 10, verses 3-5....another word you're absolutely right. We cannot just blindly believe...we must study it out in our minds then take it to the source of all knowledge..ie God the almighty...have you honestly asked God if the Book of Mormon is true? He's the source of all truths....and he does not lie....though there are much studies with physical proofs both of historical facts...sites...etc, the book is another volume of scriptures, to work together with the Holy Bible as they both witness and testify of the great mission and divinity of Jesus Christ. So it only make sense that spiritual matters cannot be proven by man...only by God through his love and by his holy spirit can man know him and understand him and his works....he said..."for your thoughts are not my thoughts..." paraphrased. You ask...where are the golden plates?? I could ask...where is God?? (Just my thoughts.... maybe if we had the golden plates displayed at a museum... would we still need faith? Or if we can see God every day literally...would we still

have or need to have faith??) I pray that you will open your heart to God and do his will....God is love....not hated....if man will invest more time in loving and serving one another...for that is the basics of our master's teachings....the world would be in a much better place ☐ happy Easter to you and your family...may we celebrate the true meaning of Easter with our families...for he has truly been resurrected...and because of it...we too will have resurrection...the greatest gift to mankind!"

Sargent answers: I do understand the dilemma with the BOM. It is not my intention to hurt anyone by anything I have said or wrote. I take great pains to study things all the way out before I publish anything about them. I do these things with many hours both of study and prayer. My authority is the Authorized Version commonly called the King James Bible. I test everything by that standard and tell people I preach and teach the Bible too; to check me out according to that book. In particular to the BOM I cannot give credibility to it in any way. Joey had a vivid imagination as you have said; but there are serious problems with the BOM as a document of truth. Truth to be absolute must be vindicated; verified; not only in history; but in relevance as to its source. This cannot be verified; and therefore there is the possibility of a malicious forgery or hoax or an altogether scam that has deceived thousands of people.

They Continue: "Though there are many verifiable evidence and proofs; however, GOD verifies truth...with spiritual matters only he's the most qualified. Good luck with your quest and be blessed!"

Sargent answers: Yes there are many verifiable proofs that the Bible is true. But not the BOM... There are many false things in the text and the plagiarism is enormous. God tells us exactly how to know if something is of God or not in 1 John 4: 1-3. The test does NOT show up in the BOM...

They Continue: "Okay thanks for your opinion. I know the Book of Mormon is true. It talks and preach of Christ. Hope you will discover it's truthfulness for yourself one day. Sometimes we have to be willing to listen and humble ourselves to receive spiritual guidance and inspirations from God. I don't want to debate with you as we can debate until we're blue in the face, but all I can share with you is, God's spirit...the Holy spirit has borne witness to me or to my spirit that the Book of Mormon is another testament of Jesus Christ, and his grand plan of salvation or redemption for you and I. Therefore Mr. Not you or anyone else can convince me otherwise. Have a great night ☐"

Sargent answers: Well I tried to respond but now that was blocked so that is ended. Perhaps they got what they wanted. So to continue... The test in 1 John 4:1-3 would prove the spirit behind the BOM to be ANTICHRIST. But they don't want the truth. They want to believe their lie and trust in a false spirit and false love and false peace and a false gospel and a false testament.

Hebrews 8:7, "For if **that first covenant** had been faultless, then should no place have been sought for **the second**." So is the BOM a THIRD? Does that make the Biblical New Testament OLD?

Hebrews 8:13, "In that he saith, **A new covenant**, he hath made **the first old**. Now that which decayeth and waxeth old is ready to vanish away." If the BOM is a THIRD; then the New is now old; and it would decay and vanish away. Perhaps this is not right. Perhaps the BOM is a FAKE! Would you not think that the God that wrote the Bible KNEW that he was also writing the BOM and would put something in this book where so much is being talked about New Testament (covenant) and the Old? Why not another testament and name it? The BOM has the word BIBLE in it even though that is a transliterated GREEK word. It is translated as BOOK! So in Egyptian the word for BOOK would NOT be BIBLE or in Greek: βιβλίον: biblion which is the word for scroll, papers, works of pen & ink on paper and book bound or unbound. There is the ability to know where the words are from in dealing with the Bible; but not the BOM.

2 NEPHI 28:25-29:3 CHAPTER 29

3 And because my words shall hiss forth—many of the Gentiles shall say: A ^aBible! A Bible! We have got a Bible, and there cannot be any more Bible.

4 But thus saith the Lord God: O fools, they shall have a ^aBible; and it shall proceed forth from the ^bJews, mine ancient covenant people. And what ^cthank they the ^dJews for the Bible which they receive from them? Yea, what do the Gentiles mean? Do they remember the travails, and the labors, and the pains of the Jews, and their diligence unto me, in bringing forth salvation unto the Gentiles?

Wow, this is so blasphemous it is not even funny! We have got a Bible, and there cannot be any more Bible.

What a thing to say while stealing the

5 O ye Gentiles, have ye remembered the Jews, mine ancient covenant people? Nay; but ye have ^acursed them, and have ^bhated them, and have not sought to recover them. But behold, I will return all these things upon your own heads; for I the Lord have not forgotten my people.

6 Thou fool, that shall say: A ^aBible, we have got a Bible, and we need no more Bible. Have ye obtained a Bible save it were by the Jews?

7 Know ye not that there are more ^anations than one? Know ye not that I, the Lord your God, have created all men, and that I remember those who are upon the ^bisles of the sea; and that I rule in the heavens above and in the ^cearth beneath; and I bring forth my ^dword unto the children of men, yea, even upon all the nations of the earth?

words from the Bible. It seems like Joey has been witnessed to by a Bible Believer so he got angry and wrote this in his BOM to make sure the Bible was held in very low regard by his followers. Then he insults the Jews and supposedly these Nephits came from the Hebrews and Jews perhaps the Bible gives us some light on this: 1 Chronicles 5:18-20, ‘The sons of Reuben, and the Gadites, and half the tribe of Manasseh, of valiant men, men able to bear buckler and sword, and to shoot with bow, and skilful in war, were four and forty thousand seven hundred and threescore, that went out to the war. And they made war with the Hagarites, with Jetur, and Nephish, and Nodab. And they were helped against them, and the Hagarites were delivered into their hand, and all that were with them: for they cried to God in the battle, and he was intreated of them; because they put their trust in him.” So Nephish is it? That sounds like some kind of color like greenish! But maybe it is an ideology like Mormonish, or Romanish or Romish. Perhaps our next verse will clean this up: Nehemiah 7:52, “The children of Besai, the children of Meunim, the children of Nephishesim...” Nephishesim! Opps! I think I just made it worse. Not only is it Nephish but now it is the ideology itself Nephishesim sort of like Nephishism like Calvinishism! Or Romanishism! Man, now that is funny! Hey Joey poked fun at the Bible and ridiculed people that say a Bible we have got a Bible calling them FOOLS! I have from this license to call him a liar. We do not have any need of any more BIBLES! There are now over 250 English Bible versions. The Bible is in fact a Jewish Book however the BOM was produced by Joey Smith in secret without real witnesses. The Bible was not done in secret by one person. It is not remotely Jewish it is a plagiaristic LIE.

Now about a newer new newest new testament we see from the Book of Hebrews that Joey forgot all about that there was only ONE New Testament:

Hebrews 9:15, “And for this cause he is the mediator of **the new testament**, that by means of death, for the redemption of the transgressions that were **under the first testament**, they which are called might receive the promise of eternal inheritance.” So is the New Testament undone by the BOM? Not according to their church. It is supposed to be a compliment to the Bible of sorts. But it is used to alter the Biblical text in many places where the BOM seems to quote the Bible.

Hebrews 10:9, “Then said he, Lo, I come to do thy will, O God. He **taketh away the first, that he may establish the second.**” So if God took away the first to establish the second; then why not take away the second to establish the third?

So we see there is an Old Testament (Covenant) and a New Testament (Covenant) and the Old Testament was the FIRST and the New Testament is the SECOND.

The Bible never tells you about any THIRD or NEWER than the New Testament. Or another gospel aside from the fake one and those that corrupt the true gospel as another gospel which is not another: Galatians 1:6-9 from above.

I have read and marked the Book of Mormon more than many people read and mark their Bibles. I am a slow dyslectic reader but I am also a meticulous reader and an avid studier. I am a Bible Believer; that is, I take God at His words. God means what He says and says what He means. It is just that simple. IF the Book of Mormon were God's words then they would have the same deal found in the Bible; and I have given them the same possibility of being God's words while I read and studied them. I even asked God if this were truly His words many, many times while reading it. Then every time that I did that God would tell me to look down and read and then show me how it was NOT TRUE; but a very diabolical treacherous and subtly deceptive lie. This bothered me greatly.

God showed me that it was a fabricated lie by Joe Smith. The Book of Mormon is a false document and because it is the bases of Mormonism and the Church of the Latter day Saints, etc.; that makes all of Mormonism based on a lie.

So what lie am I talking about?

The Bible has a history; we know the Old Testament was written in Hebrew and Chaldean in a few places, while the New Testament was written in Greek. This is also collaborated by the aria in which the New Testament was written. The Roman Government was still very new at the time and the previous world ruling government was Grecian so the world language at the time of the New Testament was still Greek for the most part. This is an historic FACT. Now, in transmission of languages we have simple idiom issues especially seen in proper names. While I am dealing with English you must understand the name Jacob is an English transliteration from Hebrew and not a translation. The name Jacob going from Hebrew to Greek and then into English comes out James. This shows a thumb print that the Bible is genuine and has historic relevance. God did not bring the Bible out of back room or from only one witness. It was done over time, by many witnesses, in front the masses of people and done by many prophets. Now similar things CAN be said about the Book of Mormon; however when you boil things down you MUST take the testimony of Joe Smith that it is the same as the Bible because he alone discovered the plates; and he was the only one to EVER see them and there were no rubbings made or copies made to examine NOW. This is not like the history of the Bible. When someone wants to hid the evidence of a thing the motive is NOT a good one; it is because they do NOT want to be caught in their

scheming LIE. Lies produce more lies: Truth manifests or is made KNOWN in LIGHT. Hiding something is to place darkness over it and keep it from being seen or know to be the truth or a LIE. It is because of this simple fact that the Book of Mormon is scrutinized in this way to make an honest report of the TRUTH.

The actual lie has to do with the whole document and not just words from it; however we much understand its own supposed historic relevance in the light of its own profession of language.

Simply put: The BOM claims to be written in the Egyptian language in three places. This is a KNOWN FACT that this is what it SAYS. There is no disputing that this is IN the BOM.

1 Nephi 1:2 Yea, "I make a record in the language of my father, which consists of the learning of the Jews and **the language of the Egyptians.**"

Mosiah 1:4, "For it were not possible that our father, Lehi, could have remembered all these things, to have taught them to his children, except it were for the help of these plates; for he having been taught in the **a language of the Egyptians** therefore he could read these engravings, and teach them to his children, that thereby they could teach them to their children, and so fulfilling the commandments of God, even down to this present time."

Mormon 9:32-34, "And now, behold, we have written this record according to our knowledge, in **the characters** which are called among us **the reformed Egyptian**, being handed down and altered by us, according to our manner of speech. And if our plates had been sufficiently large **we should have written in Hebrew**; but **the Hebrew hath been altered by us also**; and **if we could have written in Hebrew**, behold, **ye would have had no imperfection in our record**. But the Lord knoweth the things which we have written, and also that **none other people knoweth our language**; and **because that none other people knoweth our language**, therefore he hath prepared **means for the interpretation** thereof."

So we see from the start Joe had the idea that if these plates were written in the Egyptian language (1Nephi 1:2) no one would be able to check them because who speaks ancient Egyptian? Later during the writings he realized that he needed to clarify his established statement and instead of THE language of the Egyptians; it is not only "A" language of the Egyptians. See the subtle alteration? So which is it? One is expressly "THE" while the other is "A" or one of many. Next he had to explain what the one of many was so he then comes up with CHARACTERS and calls it now "THE reformed Egyptian". Notice it is back to "THE" and also instead

of a people's language it is not a language of the common man but a: "...reformed Egyptian..." which is a precise unknown language that cannot be proven that it ever existed. But then he goes on to give licenses for error by saying what was written was imperfect because it was not written in Hebrew! What a statement! Then because no one else knows the language they claim God "...prepared means for the INTERPRETATION..." but wait don't you mean translation? You do know that there is a difference in those two words? Much can be said about the above.

Now IF this document was really translated from Egyptian and NOT Hebrew or Greek; and from the story line they passed over the Grecian kingdom and the Roman kingdom while they were in the Americas. So there would be no influence of GREEK at all.

Here is my question to any Mormon:

Why are there Greek and Hebrew transliterations in the Book of Mormon and yet there are NO Egyptian transliterations?

You do know what ancient Egyptian looks like? It is a pictorial language; not an alphabetic language. So the characters are Hieroglyphs in the Egyptian Language and not letters that spell words:

Anything that was reformed from ancient Egyptian would have been similar to this and would not have converted into an alphabetic language; but would have degenerated into a blur of more ridiculous pictorial symbols that would have been less "Egyptian" and more mundane.

Mosiah 28:11-17, "Therefore he took **the records** which were engraven on the **plates of a brass**, and also the plates of Nephi, and all the things which he had kept and preserved according to the commandments of God, after having translated and caused to be written the records which were on the **plates of gold** which had been found by the people of Limhi, which were delivered to him by the hand of Limhi; And this he did because of the great anxiety of his people; for they were desirous beyond measure to know concerning those people a who had been destroyed. And now he translated them by the means of those two a stones

which were fastened into the two rims of a bow. Now these things were prepared from the beginning, and were handed down from generation to generation, **for the purpose of interpreting languages;** And they have been kept and preserved by the hand of the Lord, that he should discover to every creature who should possess the land the iniquities and abominations of his people; And whosoever has these things is called a seer, after the manner of old times. Now after Mosiah had finished **translating these records**, behold, it gave an account of the people who were destroyed, **from the time that they were destroyed back to the building of the great tower, at the time the Lord confounded the language of the people** and they were scattered abroad upon the face of all the earth, yea, and **even from that time back until the creation of Adam.**”

Plates of Gold or Brass?

Translated or Interpreted?

From the time of the great tower and confounding of the language OR the Creation and Adam?

So it makes sense that Joe had to come up with a plan to implement a device that translates but got confused with the words translate and interpret causing trouble in his English. He has his story report that no one knows this “reformed” language and only by the two stones fastened into the two rims of a bow could they be discovered! This device was made by God during the confounding of the languages at the tower of Babel; which was the same as the time of the creation of Adam! Wow! What a Biblical illiterate little Joey was! Between the creation of Adam and the Tower of Babel was over 1500 years! Adam was dead by the time Noah was born before the flood; and the tower of Babel was after the flood!

This is a fatal error of monumental importance and shows that this document is a fictitious writing designed and made by Joseph Smith to get a following and deceive thousands of thousands of people.

Little Joey made his Book of Mormon by using a King James Bible in mockery and perverting it into his storyline. There are many chapters of the Bible in the Book of Mormon taken directly from the King James Bible verbatim with expressions, King James isms, Old English phrases and words, and Hebrew transliterations and no Egyptian transliterations. This is a work of a conman; and a forger of lies. This BOM is a Blasphemous Obstinate Malicious work Based On Madness! The story line is boring, with absolutely no practical evidence of these things ever existing anywhere in the America continents and no artifacts to support

any of the stories in this fabricated lying work. There is no evidence there were any plates of gold or brass.

If you have been duped into believing this is of God; you have been deceived! The proof is in the writing. But most Mormons believe in a spirit guide that “bears witness to the BOM” without evidential proof at all. After all we must have faith right? That is not faith! That is blind allegiance to a devil; when God told you NOT to believe every spirit! 1 John 4:1-6. He expects you to TEST (try) the spirits to find out if they are God’s Spirit or NOT! You just believed without testing that spirit of divination that produced the BOM? Yes you did! And were deceived by the spirit of error; that same spirit of Antichrist that lies because he can get away with it to a people that will NOT deal with the Bible! So you were given strong delusion to believe a lie instead.

Now I know that is strong language; but wake up. Time is running out and you have to make a choice. The BOM and the Church that was founded on it teach an Apostolic Succession; Baptismal Regeneration; praying and baptizing for the dead; and other sundry things that are also taught and practiced in the Roman Mother of Harlots.

The last days many people will be deceived and follow after false Christ’s and false gospels and be led away by false spirits. We live in a day where many antichrists are all around. If you asked God to reveal to you the truth about the BOM; according to 1 John 4:1-3, then tell me about where the BOM says “Jesus Christ is come in the flesh”? Did you know that that phrase is NOT found in the BOM? Read 1 John 4: 1-6. That document does not confess that “Jesus Christ is come in the flesh” which means it was produced by that spirit of antichrist which is the spirit of ERROR!

There is not much else that can be said about the BOM. It is a baseless work of fiction purported as a truth and that makes it a fraud.

The Bible vs. the BOM:

Isaiah 48:6-14

6 Thou hast heard, see all this; and will not ye declare it? I have shewed thee new things from this time, even hidden things, and thou didst not know them.

7 They are created now, and not from the beginning; even before the day when thou heardest them not; lest thou shouldest say, Behold, I knew them.

8 Yea, thou heardest not; yea, thou knewest not; yea, from that time that thine ear was not opened: for I knew that thou wouldest deal very treacherously, and wast called a transgressor from the womb.

9 ¶For my name's sake will I defer mine anger, and for my praise will I refrain for thee, that I cut thee not off.

10 Behold, I have refined thee, but not with silver; I have chosen thee in the furnace of affliction.

11 For mine own sake, even for mine own sake, will I do it: for how should my name be polluted? and I will not give my glory unto another.

12 Hearken unto me, O Jacob and Israel, my called; I am he; I am the first, I also am the last.

13 Mine hand also hath laid the foundation of the earth, and my right hand hath spanned the heavens: when I call unto them, they stand up together.

14 All ye, assemble yourselves, and hear; which among them hath declared these things? The LORD hath loved him: he will do his pleasure on Babylon, and his arm shall be on the Chaldeans.

Compared to **1 NEPHI 20:6–20** this shows that the BOM is a plagiaristic work of diabolical import. This is not without significance. And we will examine some of these things next.

There must be some actual proof as to the BOM's validity in a real world way of knowing it as the truth. Or it is just a subjective whim that has no basis or bearing on anything that is true or truth. Truth in the case of God's words must be without error and absolutely true. There will be no awkward variances or evidence of error.

6 Thou hast seen and heard all this; and will ye ^anot declare them? And that I have showed thee new things from this time, even hidden things, and thou didst not know them.

7 They are created now, and not from the beginning, even before the day when thou heardest them not they were declared unto thee, lest thou shouldst say—Behold I knew them.

8 Yea, and thou heardest not; yea, thou knewest not; yea, from that time thine ear was not opened; for I knew that thou wouldest deal very treacherously, and wast called a ^atransgressor from the womb.

9 Nevertheless, for my ^aname's sake will I defer mine anger, and for my praise will I refrain from thee, that I cut thee not off.

The usage of thou is the Old English which shows that this is obviously plagiarized from the King James text. Again "...thou heardest..." and "...declared unto thee, lest thou shouldest..." he is trying hard to sound like the Bible.

10 For, behold, I have refined thee, I have chosen thee in the furnace of ^aaffliction.

11 For mine own sake, yea, for mine own sake will I do this, for I will not suffer my ^aname to be polluted, and I will ^bnot give my glory unto another.

14 All ye, assemble yourselves, and hear; who among them hath declared these things unto them? The Lord hath loved him; yea, and he will ^afulfil his word which he hath declared by them; and he will do his pleasure on ^bBabylon, and his arm shall come upon the Chaldeans.

12 Hearken unto me, O Jacob, and Israel my called, for I am he; I am the ^afirst, and I am also the last.

13 Mine hand hath also ^alaid the foundation of the earth, and my right hand hath spanned the heavens. I ^bcall unto them and they stand up together.

15 Also, saith the Lord; I the Lord, yea, I have spoken; yea, I have called ^ahim to declare, I have brought him, and he shall make his way prosperous.

16 Come ye near unto me; I have not spoken in ^asecret; from the beginning, from the time that it was declared have I spoken; and the Lord God, and his ^bSpirit, hath sent me.

The word Chaldeans and Babylon are Hebrew transliterations as are proper names like Jacob. The fact that "...and his arm shall be on the Chaldeans." Has italicized words in the King James text "...shall be on..." is added for English clarity. Joey added them as "...shall come upon..." Those words are not in any Hebrew manuscript. I have noticed this throughout the BOM. There are many idiom issues with the BOM where obvious phrases and words are taken from the King James Bible in the location where it is taken with wording that is the same or similar. There is also many italicized words in the King James that show up in Joey's text in the BOM. Perhaps he did not know that those were added for English clarity and were italicized so you would know they were added. But Joey didn't know.

17 And thus saith the Lord, thy ^aRedeemer, the Holy One of Israel; I have sent him, the Lord thy God who teacheth thee to profit, who ^bleadeth thee by the way thou shouldst go, hath done it.

18 O that thou hadst hearkened to my ^acommandments—then had thy ^bpeace been as a river, and thy righteousness as the waves of the sea.

Lord hath redeemed his ^cservant Jacob.

19 Thy ^aseed also had been as the sand; the offspring of thy bowels like the gravel thereof; his name should not have been cut off nor destroyed from before me.

20 ^aGo ye forth of Babylon, flee ye from the ^bChaldeans, with a voice of singing declare ye, tell this, utter to the end of the earth; say ye: The

Usage as "...thus saith..." and "...thy Redeemer..." and "... who teacheth thee..." show an absolute plagiaristic con going on here. This has no ring of truth as an independent work apart from using the Bible to produce a work that is fictitious.

Now at the start of this chapter there is an extreme error in the BOM that has this passage in Isaiah but adds a ridiculous water baptismal regeneration phrase into the text.

1 NEPHI 19:18-20:5

"HEARKEN and hear this, O house of Jacob, who are called by the name of Israel, and are come forth out of the waters of Judah, or out of the waters of ^bbaptism, who ^cswear by the name of the Lord, and make mention of the God of Israel, yet they swear ^dnot in truth nor in righteousness.

Isaiah 48:1, "Hear ye this, O house of Jacob, which are called by the name of Israel, and are come forth out of the waters of Judah, which swear by the name of the LORD, and make mention of the God of Israel, but not in truth, nor in righteousness."

First thing to notice is that the word Jacob is a transliterated word from Hebrew; if this were a translation from Egyptian the translation would show up as some other form of the meaning of the word but not as the phonetic Hebrew "Jacob". Next the same can be said of the word "Israel" but then we come to the word "baptism" in the phrase "...or out of the waters of baptism..." Now we have a mixture of the previous Hebrew words, here is a transliterated Greek word! This would have be translated into bathing or immersion or something like this coming from a different language.

All this is evidence of a malicious hoax not supernatural parallelism. There is no evidence that can be traced as to any parallel between the Bible and the BOM aside from the FACT that the BOM is a plagiaristic theft from the Bible.

1 John 4:1-3,"Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world. Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God: And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world."

So the test is: "Is Jesus Christ come in the flesh?" or the statement that if this is of God it will state this as proof: "Jesus Christ is come in the flesh." Yet the BOM does not have this anywhere in the book. Read it again: 1 John 4:3, "And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and

this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world.” The BOM is ANTICHRIST!

So here we have it the BOM is a baseless factious work of the imagination of Joseph Smith using a King James Bible to steal God’s words from the Bible and make them HIS OWN!

Joey in his BOM teaches baptismal regeneration and apostolic succession. Two fundamental ideologies found in Roman Catholicism. It is almost like Rome hatched the BOM as a daughter of that whorish religion.

Mormons and the Church of LDS are based on the BOM. This piece of trash ridicules the Bible while stealing words from it; ridicules and insults the Bible Believer calling them fools. And make people believe in a false spirit that supposed to bear witness to the BOM without evidential proof that the book is not a fraud. There is no back ground or history to look at, no historic documentation of any discovered artifacts that support the stories in the BOM.

There are many King James idiomatic nuances used in the BOM as well as Greek and Hebrew transliterations with NO Egyptian linguistic idiomatic nuances what so ever. This is such an obvious fabricated hoax and yet people are deceived into believing in it so blindly thinking that faith is blind that they will not be persuaded no matter what you say. This is not just blind faith; it is a satanically motivated cultic mental disorder.

THE END
