

37th

By: David A. Sargent
The 37th Triangle has the value of 703

37 is made up of 3 trinity and 7 perfection / completion... 37 is a prime as is 3 and 7.
37 is a factor of all 3 digit 10 base rip-digits: 111, 222, 333, etc...
37 is the only 2 digit number that has this property $37 \times 2 - 1 = 73$ its own mirror which is also a prime!
37 is a factor in the numeric name of Jesus and Christ and the total of these together.
37 is a factor in the numeric name of John Baptist. Jesus: ΙΗΣΟΥΣ =
 $10+8+200+70+400+200 = 888 = 24 \times 37$ & Christ: ΧΡΙΣΤΟΣ =
 $600+100+10+200+300+70+200 = 1480 = 40 \times 37$ & John Baptist: ΙΩΑΝΝΗΣ =
 $10+800+1+50+50+8+200 = 1119$ and ΒΑΠΤΙΣΤΗΣ =
 $2+1+80+300+10+200+300+8+200 = 1101$ so that $1119 + 1101 = 2220 = 60 \times 37$.
37 is a factor of the number of the beast: $666 \div 37 = 18$ and 18 is 3×6 found in Rev. 13:18!

37 is a very unique number. On the Biblical view we understand 6 is the number of man while 7 is the number of perfection or perfection. So we understand that by the word of God that man is fallen short of the glory of God or perfection. Thus the 6 is just short by 1 number from 7 so man is fallen short of God. So likewise in the number systems we see: $6 \times 6 = 36$ so that the sum of all the numbers from 1 to 36 has the total of 666. From this we deduce that man is fallen short completely. When adding just one more number to 36 (the next number) 37 the sum becomes 703. Notice the 3 and the 7 separated by 0. The two numbers represent two triangles: the 36th Δ and the 37th Δ .

One mathematician said: "If the whole integer series is broken down into primes or prime factors of composites and then alternately added and subtracted, the only congruence where the value of the +/- figure equals that number occurs at 37!"

That's just a drop in the great deep of the stuff I have found about 37... One thing that got me started was the magic square phenomena. The Magic Square or what I have come to commonly call the Matrix is a mathematic constant just like $2 + 2$ is always 4 so each Matrix has a specific constant.

For our first example the 3 X 3 Matrix has a value of 15. What I have accomplished is a dynamic constant in that by altering the starting number and by altering the Incrementation number dynamically, I came up with a new constant Matrix.

By way of example if $2 + 2 = 4$ by altering the first number and second number $(2 \times 3) + (2 \times 3) = 12$ we get a new constant that is still a mathematic constant. If we alter the 3s in this to a dynamic variable n so that this can be any number, the outcome would still be fixed as soon as n is given. Let $n = 5$, then the result would be 20. This is what I have done with these Matrices.

To start let's examine the 3 X 3 normal Matrix. (In the normal Matrix we are starting with 1 and incrementing by 1.

The normal 3 X 3 Matrix:

				15
1	8	1	6	15
2	3	5	7	15
3	4	9	2	15
	15	15	15	15

The Stair Step Method means that the main rule for solving the Matrix is a diagonal up-right until placing the next number lands on an existing number. Rule two then is to place that next number below the previous. Then continue with the first and main rule until the Matrix is resolved. The Delta number in the 3 X 3 is the 3; so in this we see that the rule for Delta of any Matrix uses all the numbers in the Delta time itself. In the 3 X 3 the product of Delta is 9. So all the numbers from 1 to 9 must be used, and each must be used only once. This Stair Step Method works for all odd number Delta Matrices. The even numbered Matrices are independently different in their resolution.

In a 3 X 3 Matrix with a starting number -83 incrementing every 30 the total of all columns, rows and both diagonals totaling 111 and 37 is in the middle!

2	-23	37	97	111
3	7	157	-53	111
	111	111	111	111

On a 3 X 3 Matrix with a starting number 37 and incrementing 37, you get the total columns, rows and both diagonals totaling 555, with the numbers 111, 222 and 333 showing up in the matrix!

				555
1	296	37	222	555
2	111	185	259	555
3	148	333	74	555

Another view of this is to start with the -37 and incrementing 37, you get the total columns, rows and both diagonals totaling 333, with the number 111 in center.

2	37	111	185	333
3	74	259	0	333
	333	333	333	333

One more sampling of the 3 X 3 is by starting with the -148 which is -37 X 4; and increment by 37 the total matrix number is 0, and the diagonal up from left to right is the split where the right and left are mirrors to each other. With 0 in center

Next we look at the 7 X 7 Matrix or Magic Square. The normal value of this matrix is 175. The 7 X 7 is one of the best examples of the Panoramic Diagonal (Pan-Diag). The Stair-Step Method works for the rows, columns & the two major diagonals. However, to resolve the Pan-Diag I used the Knights Move Method. The Pan-Diag is the diagonals other than the two main diagonals.

	175	175	175	175	175	175	175

The Panoramic Diagonals are shows above.

Further a 7 X 7 matrix with the starting number -777 and incrementing by 37 you get all columns, rows and both diagonals totaling 777, with all the 3 digit rip-digits in the matrix including some of the negative ones as well!

The usefulness of the spreadsheet and auto-calculations makes these fairly easy to construct. The facts about this mathematic constant has a major significant and import in the Biblical sense. There is a distinct relationship between the numbers: 3, 7, 37 & 777. This relationship is seen in this next matrix configuration.

7 × 7 Pan-Dynamic Matrix - Knights Configuration

	1	2	3	4	5	6	7		
	777	777	777	777	777	777		777

	777	777	777	777	777	777	777		777

Then there is the 37 X 37 matrix!!! Given a starting number of 37 and incrementing by 37 you get a total CRD of 937765 (has 37 in that) and when adding all the digits together $9 + 3 + 7 + 7 + 6 + 5 = 37!!!!$ 37 must be the center of the universe!

This shows the perfect number is 777 which is 3, 7s now how about that! 37

37 is a center star number!

37 is a center hex number!

These two graphic representations of 37 fit together with other numeric graphics.

$$\begin{aligned}
 37 \times 19 &= 703 \\
 19 \times 37 &= 703 \\
 703 \times 2 &= 1406 \\
 1406 / 37 &= 38 \\
 19 + 19 &= 38 \\
 37 + 37 &= 74 \\
 74 \times 38 &= 2812 \\
 2812 / 2 &= 1406
 \end{aligned}$$

This represents 19

$$\begin{aligned}
 37 \times 24 &= 888 \\
 73 \times 7 &= 511 \\
 1399 - 30 &= 3160 \\
 3160 / 37 &= 85.4
 \end{aligned}$$

The configurations for these are innumerable. Patterns such as these are the very building blocks for Creation. The first verse in the Bible has a value that is $37 \times 73 = 2701$

This represents 73

$$3 \times (3 + 7) + 7 = 37$$

$$37 \div 3.7 = 3 + 7$$

$$(3 + 7) \times 3.7 = 37$$

Any 3 digit multiple (abc) of 37 has these (“bca” and “cab”) digital arrangements of that number also multiples of 37! $148 \div 37 = 4$ therefore $481 \div 37 = 13$ and $814 \div 37 = 22$

Any 3 digit set of numbers given all the patterns added together is divisible by 37!

The cricket has been called the "Poor Man's Thermometer." If you count the number of chirps in fifteen seconds, then add 37, the sum will be very close to the prevailing Fahrenheit temperature at the cricket's location.

The Human hand is moved by 37 skeletal muscles;

Blue Moons occur 37 times every century on average.

The most well known multiple of 37 is the beast number (666). The first occurrence of 666 in π (pi) appears on digits 2441, 2442 and 2443, when including the initial 3 before the decimal point, i.e. the whole series of π 's digits. The sum of these is 7326 or $11 * 666$

All numbers in a 7 X 7 Matrix given a starting number 1 and incrementing by 1 when added together is 1225 divided by 37 is 33. $7 \times 7 = 49$ so add the numbers from 1 to 49 that totals 1225. The matrix total is 175 and the dignitary of that is 13 or 4. Which matches the $7 \times 7 = 49$ and the dignitary of that is 13 or 4. The pattern associated with 7 is 4, 7, 1 conversely the pattern associated with 1 is 7, 4, 1 These patterns are shown in the dignitaries of the products of each number and raised power order.

Notice the triple repetitive digit numerics in this matrix make a pattern like an “S” nebula. The double Golden Ratio involved in the matrix that shows up in nature in many places. This natural occurrence is displayed in the inner ear in what is called the cochlea and is a bony structure shaped like a shell:

There are many natural examples of this Curve Ratio that shows a Divine Authorship of the Universe. It is a Universe by Creator God who made all Him were all things examples of the of God in His of hundreds of systems of cells in all even more hundreds systems of organs These systems work in cannot exist without the other. They are all designed, engineered and created by God for His glory.

Design. This Design is by the things by Jesus Christ and for made. There are many Creation and the existence thousands of complex living things that make up of thousands of complex that make up our bodies. conjunction to one another and

All these things are also held together by His power.

The properties of magnetism is that like charges repel and opposite charges attract. This can be demonstrated with magnets; but also is in nature in men and women attracting; while men and men should repel. This means that sodomy or even effeminacy or gomorracy or femasculinity are not “natural”. God ordained the natural world and gave laws to keep things in order. God can supersede His natural laws, by another law, one of supernatural; or what we would call a miracle. When man attempts to supersede God’s laws they produce a degenerative nature; sub-natural; and repugnant to both man and God.

Romans 1:18-32, “For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness; Because that which may be known of God is manifest in them; for God hath shewed it unto them. For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse: Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, they became fools, And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things. Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves: Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen. For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient; Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, Backbiters, haters of God, spiteful, proud, boasters, inventors of evil things, disobedient to parents, Without understanding, covenantbreakers, without natural affection, implacable, unmerciful: Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.”

The Golden Ratio (ϕ) also called the Fibonacci Spiral is: 1.61803398875 conversely PI (π) is: 3.14159265359 and they are not to be confused. There is a connection to them however as π is a mathematical constant: the ratio of a circle's circumference to its diameter:

In the 7 X 7 Matrix we see as shown above a double Golden Ratio in the Trip-Rip Digits reflecting a mirror image on the center diagonal left to right angle. This design is created in the stair-step method using -888 as the starting number and incrementing by 37.

An S Shaped Nebula

This shows up as the “S” shaped galaxies in the universe.

In the creative construct of the space / time continuum we see that 37 is involved in the very creation of all things. Not only in space and time, but in matter; and that we find this in the numerology of these things that seem to stem from the very number itself.

37 is the number of the combined Triune Holiness. This number can be represented in various ways. The Digitary Math value is 1. It is a unity in that construct. It has the properties of 777: or triple perfection. This can be seen in the 7 X 7 Matrix where the starting value is -777 and the Incrementation value is 37.

Now notice the Trip-Rip Digits form a cross with 111 in the center, and the Matrix Value is 777. This configuration is the Knights Move Method (in chess) which has a total summation of 5439 of which the Digitary Math value is: 21 or 3 and 21 is 3 X 7.

There are in the number 37 it's inverse 73 which takes the form $37 \times 2 - 1$. Both of these numbers are made up of two primes, and both are themselves primes. When multiplied together we get the product 2701. This has the Digitary Math value 1 and has the construct 2 division, 7 perfection, 0 nil & 1 unity a construct in numerics showing a plan towards creation of all things.

The Gematria of Genesis 1:1 shows the creative numerology within the Hebrew verse. Gematria is the practice of placing a numeric value on the letters so that the words would have a value and sentences or verses would have a value.

Notice the number 7, 37, 73 & 777. The verse value being 2701 which would be the creative value of Time, Space & Matter: The three original created things in Genesis 1:1.

1. Time: "In the beginning..."
2. Space: "...created heaven..."
3. Matter: "...and earth."

In the three above there are Seven elements:

1. Time
2. Space

3. Matter
4. Time & Space
5. Time & Matter
6. Space & Matter
7. Time, Space & Matter

Each one has three elements:

1. Time
 - a. Past
 - b. Present
 - c. Future
2. Space
 - a. Height
 - b. Width
 - c. Depth
3. Matter
 - a. Solid
 - b. Liquid
 - c. Gas

Now we go down to the atomic structure of matter and we find in the atom a construct in the atomic magnetism of matter what exists is a positive a neutral and a negative charged partials and thus the properties of magnetism.

The first element above is Gold, and the second is Mercury. The core or nucleus of the atom (the center) is made up of Protons and Neutrons, while around the outside are Electrons. Protons have a positively charge, Neutrons are neutrally charged, and Electrons are negatively charged. It is the Electron that accounts for electricity.

The two elements show the ring structure of the Electrons where all the rings have the same number of electrons, but not all atoms have the same number of rings, nor the same number of electrons total. There particles are for the most part the same in number. That is, the Protons, Neutrons & Electrons are all 79 for Gold and 80 for Mercury. It would

take just one more of each particle to alter the substance from Gold to Mercury. But altering the core would be more involved than what is realized from ancient alchemist who attempted to change substances to Gold.

Gold however is the best conductor as it has one electron on the outer ring, making it easy to knock it off, in the cascading effect of magnetic resonance, we know as the flow of electricity. This does however not alter the substance as it does not affect the core.

Now the properties of magnetism is that like charges repel, whilst came charges attract. The question would be: what keeps the core particles together? And what keeps the outer particles from imploding and attracting to the core? What holds it all together?

What makes the rings unified in count: 2, 8, 18, 32, 18? Why a uniformed alignment of all the atomic structures? I mean IF it is NOT created? There is an obvious creative design involved at this level and at all levels of matter and energy.

So, what does this all have to do with 37? Not much on the onset; however, there is an underlining pattern shown when running the numbers on the Protons, Elections & Neutrons: as an example the Element Carbon has 6 of each. Remember all triple repeditive digit numbers have a common factor 37. Hydrogen with 1 Proton, 1 Election and 1 Neutron would be a 111; and Helium as 2 of each making it a 222, and so on. So that Carbon with 6 of each is a 666. Carbon is the stuff we are made of. I am sure you have heard of the phrase: carbon life forms. All life as we know it in the physical world is in the form of carbon: Animals, Plants and Humans. Carbon is found in the earth and when great pressure and heat are applied to carbon it alters its properties and forms a crystal called Diamond. This transformation is a type of resurrection.

At the atomic level Carbon is Carbon; however at the molecular level the chemicals can be arranged in different ways. The substance in form of a Diamond is the same as pencil lead: Graphite. However the molecular structure (how the atoms are arranged) makes the different substances appear very different.

In a diamond the carbon atoms have a molecular bond to one another producing a three dimensional solid network. Each carbon atom is bonded to four other atoms throughout the crystal lattice. The diamond has no free electrons because they are all involved in bonding and is therefore a poor conductor of electricity. The diamond is the hardest substance known and it is because of this crystal lattice network that makes it so hard.

Graphite is also made of carbon atoms. Graphite consists of carbon atoms that have molecular bonding together in layers made up of hexagons, like chicken wire. Each carbon atom has three bonds and one free electron. The extra electrons are delocalized and can be moved along the layers by applying an external voltage. This is why graphite can conduct an electric current. Graphite unlike diamond is extremely soft. Between the parallel layers of graphite are weak intermolecular bonds, which allow the layers to easily slip over each other. This is what happens when writing or drawing with a graphite pencil on paper.

Romans 1:20-22, "For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse: Because that, when they knew God, they

glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, they became fools,”

Hebrews 11:3, “Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.”

John 1:1-3, “In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him; and without him was not any thing made that was made.”

John 1:10, “He was in the world, and the world was made by him, and the world knew him not.”

Colossians 1:16-20, “For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by him, and for him: And he is before all things, and by him all things consist. And he is the head of the body, the church: who is the beginning, the firstborn from the dead; that in all things he might have the preeminence. For it pleased the Father that in him should all fulness dwell; And, having made peace through the blood of his cross, by him to reconcile all things unto himself; by him, I say, whether they be things in earth, or things in heaven.”

Now with all this 37 remains in the middle of all things down to the very atomic structure and then up to the planets of our Terrain-System. Some call this the Solar-System because most planets are going around the sun however the sun was not created first the earth came before the sun and when we consider these Bible passages we see a Terrain-System and NOT a Solar-System.

Exodus 17:12, “...his hands were steady until the going down of the sun.”

2 Chronicles 18:34, “...about the time of the sun going down he died.”

Jeremiah 15:9, “...she hath given up the ghost; her sun is gone down while it was yet day...”

This last verse seems to go directly against the science that is taught in the schools today. The fact is the Earth was created before the sun:

Earth is created: Genesis 1:1, “In the beginning God created the heaven and the earth.” Then light is created before the sun: Genesis 1:3, “And God said, Let there be light: and there was light.” And if that were not enough the Day light was before the sun: Genesis 1:5, “And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.” Then we see the sun coming days later: Genesis 1:14-16, “And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years: And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so. And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also.” This was the fourth day: Genesis 1:19, “And the evening and the morning were the fourth day.”

So we see that Earth was made on the 1st day and the sun on the 4th day.

So how does 37 show up in this? From the sun we count the planets:

1. Mercury
2. Venus
3. Earth
4. Mars
5. Jupiter
6. Saturn
7. Uranus
8. Neptune
9. Pluto

Earth is number 3. We count from the outer planets:

1. Pluto
2. Neptune
3. Uranus
4. Saturn
5. Jupiter
6. Mars
7. Earth
8. Venus
9. Mercury

Earth is number 7. So we see that from both directions we have the Earth at the 3 & 7 point. The center of the universe is the Earth. Now let's see what the Bible says about the moving of the earth.

Psalms 93:1, "...the world also is stablished, that it cannot be moved."

Psalms 96:10, "...the world also shall be established that it shall not be moved..."

It is the sun that is moving:

Genesis 15:12, "And when the sun was going down..."

Genesis 15:17 "...when the sun went down, and it was dark..."

Genesis 19:23, "The sun was risen upon the earth..."

Genesis 28:11, "...and tarried there all night, because the sun was set..."

Genesis 32:31, "...the sun rose..."

So we see the sun is moving and not the earth. Here are some more verses that show this truth:

Exodus 22:3, "...the sun be risen..."

Exodus 22:26, "...that the sun goeth down..."

Leviticus 22:7, "...when the sun is down..."

Numbers 2:3, "...on the east side toward the rising of the sun..."

Deuteronomy 11:30, "...by the way where the sun goeth down..."

Deuteronomy 16:6, "...at the going down of the sun..."

Deuteronomy 23:11, "...when the sun is down..."

Deuteronomy 24:13, "...when the sun goeth down"

Deuteronomy 24:15, "...the sun go down..."

Joshua 1:4, "...toward the going down of the sun..."

Joshua 8:29, "...as soon as the sun was down..."

Joshua 10:12, "...he (the LORD) said in the sight of Israel, Sun, stand thou still upon Gibeon; and thou, Moon, in the valley of Ajalon." So not only the sun but the moon also was told by God to stand still. So if this is by our view point and the sun doesn't actually move, then apply this to the moon also. Fact is you believe the moon is moving. So this is NOT a convenience for man's sake and from our view point.

Joshua 10:13, "And the sun stood still, and the moon stayed..." and "...So the sun stood still in the midst of heaven, and hasted not to go down about a whole day."

Joshua 10:27, "...at the time of the going down of the sun..."

Joshua 12:1, "...toward the rising of the sun..."

Judges 8:13, "...before the sun was up..."

Judges 9:33, "...as soon as the sun is up..."

Judges 14:18, "...on the seventh day before the sun went down..."

Judges 19:14, "...the sun went down..."

2 Samuel 2:24, "...and the sun went down..."

2 Samuel 3:35, "...till the sun be down."

2 Samuel 23:4, "...as the light of the morning, when the sun riseth, even a morning..."

1 Kings 22:36, "...about the going down of the sun..."

2 Chronicles 18:34, "...until the even: and about the time of the sun going down..."

Job 9:7, “Which commandeth the sun, and it riseth not; and sealet up the stars.”

Psalms 50:1, “The mighty God, even the LORD, hath spoken, and called the earth from the rising of the sun unto the going down thereof.”

Psalms 104:19, “He appointed the moon for seasons: the sun knoweth his going down.”

Psalms 104:22, “The sun ariseth...”

Psalms 113:3, “From the rising of the sun unto the going down of the same the LORD'S name is to be praised.”

Ecclesiastes 1:5-7, “The sun also ariseth, and the sun goeth down, and hasteth to his place where he arose. The wind goeth toward the south, and turneth about unto the north; it whirleth about continually, and the wind returneth again according to his circuits. All the rivers run into the sea; yet the sea is not full; unto the place from whence the rivers come, thither they return again.” Like the wind and the rivers the sun has HIS circuits or circles to travel in. This is God's science.

Isaiah 38:8, “Behold, I will bring again the shadow of the degrees, which is gone down in the sun dial of Ahaz, ten degrees backward. So the sun returned ten degrees, by which degrees it was gone down.”

Isaiah 41:25, “...from the rising of the sun...”

Isaiah 45:6, “...from the rising of the sun...”

Isaiah 59:19, “...from the rising of the sun...”

Daniel 6:14, “...he laboured till the going down of the sun...”

Amos 8:9, “And it shall come to pass in that day, saith the Lord GOD, that I will cause the sun to go down at noon, and I will darken the earth in the clear day:”

Jonah 4:8, “...the sun did arise...”

Micah 3:6, “...ye shall not have a vision; and it shall be dark unto you, that ye shall not divine; and the sun shall go down over the prophets, and the day shall be dark over them.”

Nahum 3:17, “...when the sun ariseth...”

Habakkuk 3:11, “The sun and moon stood still in their habitation: at the light of thine arrows they went, and at the shining of thy glittering spear.”

Malachi 1:11, “For from the rising of the sun even unto the going down of the same...”

Matthew 5:45, “...he maketh his sun to rise on the evil and on the good...”

Matthew 13:6, “And when the sun was up...”

Mark 1:32, “And at even, when the sun did set...”

Mark 4:6, “But when the sun was up...”

Mark 16:2, “And very early in the morning the first day of the week, they came unto the sepulchre at the rising of the sun.”

Luke 4:40, “Now when the sun was setting...”

Ephesians 4:26, “...the sun go down...”

James 1:11, “For the sun is no sooner risen...”

So what would cause the sun to go around the earth? In physics you probably learned about powers like gravity, inertia, momentum and centrifugal forces. As we have seen above in the section about atoms there is no powers like gravity that are holding the atomic structures together where the like charges should repel and there is no gravity holding the opposite charges apart. So unlike the planets the distance between the nucleolus of the atom and the first ring of electrons in comparison to their size would be like a solar system where the sun is smaller than the moon, and the closest electron would be also smaller than the moon with the distance between them farther than Pluto. The law of circuits from the Bible starts with God placing things in a path that they cannot be removed out of until God lets them go. All the planets are in circular (circuit) paths around the sun, and the sun is in a circular (circuit) around the earth. The whole universe is also in a circuit around the earth. This is not difficult to understand or comprehend.

The planets and stars have certain powers in them including the sun: Revelation 19:17, “And I saw an angel standing in the sun...” So the Lord can speak to the sun and tell it to stand still and the angel that is standing in the sun will stop. See how simple that is.

Job 38:4, “Where wast thou when I laid the foundations of the earth? declare, if thou hast understanding. Who hath laid the measures thereof, if thou knowest? or who hath stretched the line upon it? Whereupon are the foundations thereof fastened? or who laid the corner stone thereof; When the morning stars sang together, and all the sons of God shouted for joy?” Notice that the foundations of the earth are fastened and a corner stone is laid. This event happened in Genesis 1:1. There are other places where it talks about the original creation of the earth, but in Genesis 1:1 is when it happened.

Psalms 104:5-9, “Who laid the foundations of the earth, that it should not be removed for ever. Thou coveredst it with the deep as with a garment: the waters stood above the mountains. At thy rebuke they fled; at the voice of thy thunder they hasted away. They go up by the mountains; they go down by the valleys unto the place which thou hast founded for them. Thou hast set a bound that they may not pass over; that they turn not again to cover the earth.” The original creation the earth was covered with the deep like a garment; these waters of the deep are also seen in:

Job 38:30, “The waters are hid as with a stone, and the face of the deep is frozen.”

Isaiah 51:10, “Art thou not it which hath dried the sea, the waters of the great deep; that hath made the depths of the sea a way for the ransomed to pass over?”

2 Peter 3:3-6, “Knowing this first, that there shall come in the last days scoffers, walking after their own lusts, And saying, Where is the promise of his coming? for since the fathers fell asleep, all things continue as they were from the beginning of the creation. For this they willingly are ignorant of, that by the word of God the heavens were of old, and the earth standing out of the water and in the water: Whereby the world that then was, being overflowed with water, perished:”

Now the reason why all this is so important is that 37 is the number that constitutes the very space / time continuum. All of creation has this number embedded within its structure. The creation consists of 3 and 7 and 37 in various forms as seen above.

The symbol for eternity or in math is infinity is: ∞ ; a sideways 8 because it is a continuous cycle but not a circle. In fact while they have no idea why they use this symbol ∞ , the circle \circ is a better representation of infinity in some ways. But notice if we put two circles side by side: $\circ\circ$ we get the catawampus 8: ∞ . Now the symbol for time would be a line, which is why we call it a time line. So the designation of eternity and its relationship with time would be: $\infty\infty$ or: $\infty \times 2$. Now what I would like to propose is that the first circle is the Old Testament, and the second circle is the New Testament. The vortex tangent intersection of both circles would be the time line where Jesus Christ the Lord was inside the time line that He created in Eternity: $\infty\infty$.

The Space / Time Continuum

**Christ Entered into His Own Creation
Making an ETERNAL VORTEX in
The Space Time Continuumfabric.
This Vortex is in Fact a
Space / Time Portal Doorway!**

Then when we look closer at the vortex we see the time line and eternity are joined together during the time Jesus Christ is in time: being that He is ETERNAL LIFE: you can say during the time ETERNAL LIFE was IN TIME. This is the very thing that people fight over not understanding this truth. Understanding this is the key to unlocking most of the mysteries in the Bible and in life. Realizing the magnitude of the reality of the Bible will give a proper understanding of what the New Testament Born Again Believer is actually involved in.

The first time the word “time” shows up is Genesis 4:3, “And in process of time it came to pass...” By this we understand that time is in process, and the phrase “it came to pass” has within it future, present and past. The process is exactly that: the future comes to present and passes into the past. It is like clockwork; no pun intended. However, that very pun shows my point. Time is a steady click on the clock. The process or procession of time moves on, uninterrupted by man. Only one man transcended time and space and that man is the Lord Jesus Christ. If you are IN HIM, you also transcend time and space in the spirit, but one day it will be physical as well; when we become like him.

So what does all this have to do with 37? Glad you asked...

The timeline is shown with the governments of the world in Daniel 2:31-45, “Thou, O king, sawest, and beheld a great image. This great image, whose brightness was excellent, stood before thee; and the form thereof was terrible. This image's head was of fine gold, his breast and his arms of silver, his belly and his thighs of brass, His legs of

iron, his feet part of iron and part of clay. Thou sawest till that a stone was cut out without hands, which smote the image upon his feet that were of iron and clay, and brake them to pieces. Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces together, and became like the chaff of the summer threshingfloors; and the wind carried them away, that no place was found for them: and the stone that smote the image became a great mountain, and filled the whole earth. This is the dream; and we will tell the interpretation thereof before the king. Thou, O king, art a king of kings: for the God of heaven hath given thee a kingdom, power, and strength, and glory. And wheresoever the children of men dwell, the beasts of the field and the fowls of the heaven hath he given into thine hand, and hath made thee ruler over them all. Thou art this head of gold. And after thee shall arise another kingdom inferior to thee, and another third kingdom of brass, which shall bear rule over all the earth. And the fourth kingdom shall be strong as iron: forasmuch as iron breaketh in pieces and subdueth all things: and as iron that breaketh all these, shall it break in pieces and bruise. And whereas thou sawest the feet and toes, part of potters' clay, and part of iron, the kingdom shall be divided; but there shall be in it of the strength of the iron, forasmuch as thou sawest the iron mixed with miry clay. And as the toes of the feet were part of iron, and part of clay, so the kingdom shall be partly strong, and partly broken. And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay. And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever. Forasmuch as thou sawest that the stone was cut out of the mountain without hands, and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the great God hath made known to the king what shall come to pass hereafter: and the dream is certain, and the interpretation thereof sure.”

Notice this sequence of kingdoms start with Nebuchadnezzar: verse 37, “Thou, O king, art a king of kings: for the God of heaven hath given thee a kingdom, power, and strength, and glory.” Look at the verse number: 37.

There are 7 kingdoms each with the designation of numbers. 1, 2, 3, 4, 5, 6 and 7. However they are set up in sets of threes. Notice in verse 37, “...power, and strength, and glory.” So this kingdom would be by designation 111, and started with Nimrod coming down through the procession of time to Nebuchadnezzar at the Babylonian ending and at its zenith. And is GOLD or the golden city; the golden city extends down this image in a mystery form. It is ONE IMAGE and all 6 kingdoms of it are one in the same religion: Mystery Babylon. The head of the image; this would be the brain area; the design of the religion would come from here.

The second kingdom would be the Medo-Persian Kingdom designated as 222 and brass. Brass is a combined element of two elements: Copper and Zinc. Notice the 2's. This is a divided kingdom. A kingdom of two kingdoms; brass is a combined element of two elements; and at the level on the image there are two arms.

The third kingdom is the Grecian kingdom designated as 333 and is iron. Iron is the body of the image. The body or trunk has the three main groups of importance the circulatory system with the heart as the main organ; the respiratory system with the lungs as the main organ; and the digestive system with the stomach as the main organ.

The fourth kingdom is the Roman kingdom designated as 444 and is part iron and part clay. This kingdom starts in the hips as one kingdom. But because the clay is weak so is this nation. The weakness is because Rome spread herself so thin trying to take over the Germanic tribes, and when they extended themselves to Scotia, they could no longer maintain. Many civil wars took place marking 4 divisions in the time frame of this part of the image. The Late Republic; The Early Empire; The Middle Empire; and The Late Empire. This ended with Constantine's declaration that he was a Christian and then the Empire took the form of a Religion.

The fifth kingdom is the Roman Catholic kingdom designated as 555 and is also part iron and part clay, because it is the same kingdom in a disguised form. This 5 in Biblical Numerology designates death, and because of this fifth kingdom history enjoys the dark ages, and death if you were to recant against the Roman Church.

The sixth kingdom is a New World Order of global citizenship with Satan's son as the tyrant. His kingdom is designated as 666 which is found in Revelation 13:18. There will be an affinity for 6 and 666 the closer time goes towards this kingdom. Here are some examples of the emerging numerics in our society:

1. Babylonian – 111 – Gold – Head
2. Medo-Persian – 222 – Brass – Chest
3. Grecian – 333 – Iron – Body
4. Roman – 444 – Iron & Clay – Hips
5. Roman Catholicism – 555 – Iron & Clay – Legs
6. Anti-Christ, the man of sin, the son of perdition – 666 – Iron & Clay – feet & toes

Then the seventh kingdom is the Rock cut out of a mountain that is cast down at the feet of the image. This kingdom is not of the other 6. This kingdom is the seventh and its designation is 777 and has all the qualities as the above, but in the right way.

Now all these kingdoms are arranged in a precise order showing the 37 in all of them:

1. $111 \div 37 = 3 = 3 \times 1$
2. $222 \div 37 = 6 = 3 \times 2$
3. $333 \div 37 = 9 = 3 \times 3$
4. $444 \div 37 = 12 = 3 \times 4$
5. $555 \div 37 = 15 = 3 \times 5$
6. $666 \div 37 = 18 = 3 \times 6$
7. $777 \div 37 = 21 = 3 \times 7$

So because $37 \times 3 = 111$ and the matrix of the 6×6 is 111 we have this enigma:

$$\begin{array}{r}
 37 \times 3 = 111 \\
 \times 6 \quad \underline{\quad 6} \\
 37 \times 18 = 666
 \end{array}$$

$$\begin{array}{r}
6 \times 6 = 36 \\
- 36 \Delta = 666 \\
\hline
37 \Delta = 703 \\
\hline
1 = 7 - 6 \\
\\
7 + 6 = 13
\end{array}$$

13	Revelation 13:18 is	666
13	Ezra 2:13	"The children of Adonikam, six hundred sixty and six."
13	2 Chronicles 9:13	"Now the weight of gold that came to Solomon
_____	in one year was six hundred and threescore and six talents of gold;"	

39 Books in the Old Testament

3 + 9 = 12 for the tribes of Israel

39 for 3 curses in the Old Testament (Galatians 3:13) The word curse(d) shows up three times and are 7 words apart. Three 7s and each 7 is a 13. So the 777 became a 131313 for us (4) the world. $777 \div 37 = 21$ & $3 \times 7 = 21$.

The Three Curses:

1. DEATH: Genesis 2:16-17, "And the LORD God commanded the man, saying, Of every tree of the garden thou mayest freely eat: But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die." 1 Corinthians 15:22, "For as in Adam all die, even so in Christ shall all be made alive." And Romans 5:12-17, "Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned: (For until the law sin was in the world: but sin is not imputed when there is no law. Nevertheless death reigned from Adam to Moses, even over them that had not sinned after the similitude of Adam's transgression, who is the figure of him that was to come. But not as the offence, so also is the free gift. For if through the offence of one many be dead, much more the grace of God, and the gift by grace, which is by one man, Jesus Christ, hath abounded unto many. And not as it was by one that sinned, so is the gift: for the judgment was by one to condemnation, but the free gift is of many offences unto justification. For if by one man's offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ.) And Romans 5:21, "That as sin hath reigned unto death, even so might grace reign through righteousness unto eternal life by Jesus Christ our Lord." And John 7:49, "But this people who knoweth not the law are cursed."
2. THE LAW: Nehemiah 10:29, "They clave to their brethren, their nobles, and entered into a curse, and into an oath, to walk in God's law, which was given by Moses the servant of God, and to observe and do all the commandments of the LORD our Lord, and his judgments and his statutes;" and Galatians 3:10, "For as many as are of the works of the law are under the curse: for it is written, Cursed is

every one that continueth not in all things which are written in the book of the law to do them.” And James 2:10, “For whosoever shall keep the whole law, and yet offend in one point, he is guilty of all.” Hebrews 10:1, “For the law having a shadow of good things to come, and not the very image of the things, can never with those sacrifices which they offered year by year continually make the comers thereunto perfect.”

3. THE WHOLE OLD COVENANT (Old Testament): Malachi 4:6. “And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers, lest I come and smite the earth with a curse.” And Hebrews 8:13, “In that he saith, A new covenant, he hath made the first old. Now that which decayeth and waxeth old is ready to vanish away.” And Matthew 25:41, “Then shall he say also unto them on the left hand, Depart from me, ye cursed, into everlasting fire, prepared for the devil and his angels:” and Hebrews 10:11, “And every priest standeth daily ministering and offering oftentimes the same sacrifices, which can never take away sins:” and Hebrews 10:1, “For the law having a shadow of good things to come, and not the very image of the things, can never with those sacrifices which they offered year by year continually make the comers thereunto perfect.”

Remember God does things in 3s and 7s:

$3 \times 37 = 111$ & the $6 \times 6 \mu = 111$ & in 1 John 5:7 $3=1$ or $1 + 1 + 1 = 1$ or $111 = 1$

So $1 = 3 = 7 = 37$ & $3 + 7 = 10$ & $1 + 0 = 1$ & $3 \times 7 = 21$ & $21 \times 37 = 777$
& $7 + 7 + 7 = 21$ & $2 + 1 = 3$
