Isaiah 1:18, “Come now, and let us reason together, saith the LORD: **though your sins be as scarlet, they shall be as white as snow;** though they be red like crimson, they shall be as wool.”

### **The Seven Progressions of Numeric Anomalies of all Things:**

1. 1
2. 3
3. 7
4. 19
5. 37
6. 73
7. 2701

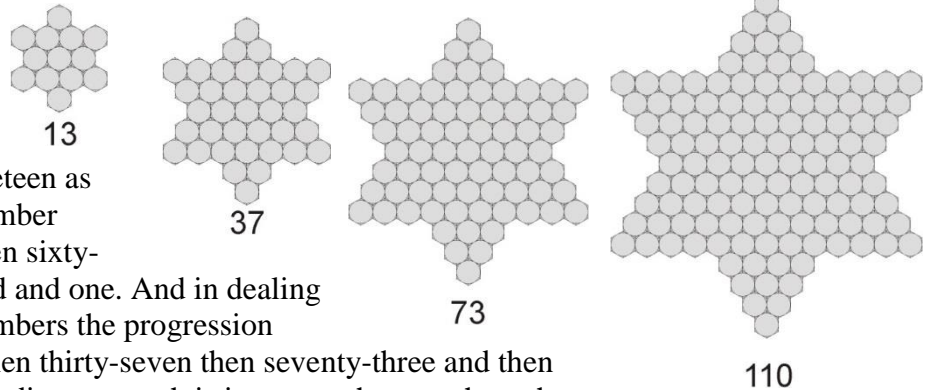

The arriving at this is in the graphic where it is one object with three constructs: ,  and the extrusion upward making the 3d affect. This is also related in the first construct . Then

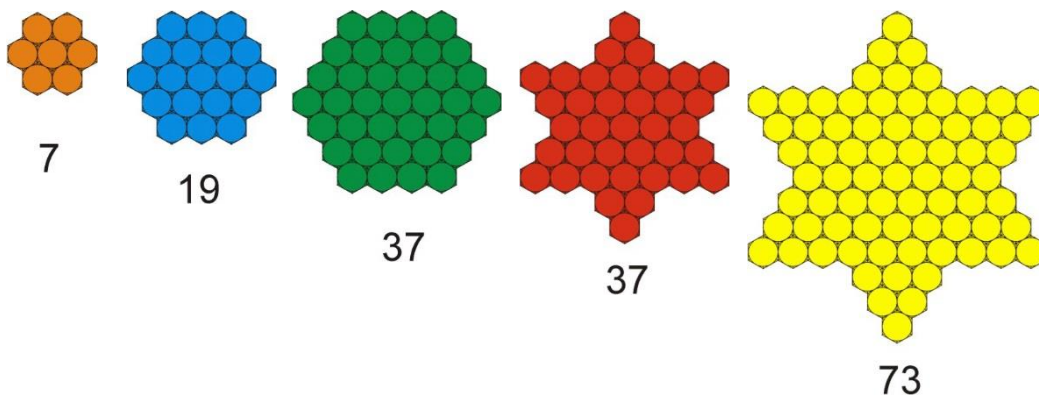

there is the seven points of this object where there are 6 on the sides and one in the middle. This would make seven a centered star

number. It is also a centered hexagram number in the structure here. The next number in this relationship of hexagrams would be nineteen as shown here. The next number would be thirty-seven then sixty-one and then one hundred and one. And in dealing with the centered star numbers the progression

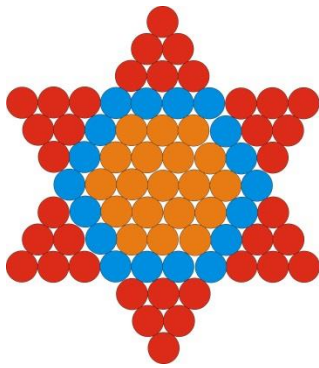

starts with thirteen and then thirty-seven then seventy-three and then one hundred and ten. The digitary math is important here to show the values of these things. In progression the centered hexagons are 7, 19 ( $1 + 9 = 10$  &  $1 + 0 = 1$ ) then 37 which has the same value 1, then 61 with has the value 7 and then 101 which has the value 2. In the centered start numbers this is the progression: 13 has the value 4, 37 is 1, 73 is 1 and 110 is 2. So why is this important? In the centered hexagons the values are 7, 1, 1, 7, 2 when added together is  $7 + 1 + 1 + 7 + 2 = 18$  which is 9 and 18 is the product of two possibilities:  $3 \times 6 = 18$  or  $2 \times 9 = 18$ . One gives the values for 3 6's or 666 and the other gives the division of fruits of the spirit of 9. The centered hexagons or star numbers have this value:  $4 + 1 + 1 + 2 = 8$  which is the numerics for a new thing or something new or a cycle that has finished its completion. Completion in a sense of perfection is 7 and after this is a new beginning of the cycle.

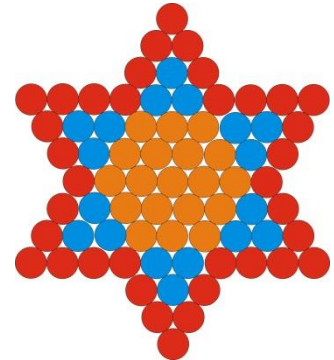

There is a progression change at the number thirty-seven and so in this progression the values come to be  $7 + 1 + 1 + 1 + 1 = 11$ . Where

$7 + 19 + 37 + 37 + 73 = 173$  and  $1 + 7 + 3 = 11$  and so the value of this progression is 2 or division. Next we take this to the next step to see how these relate one to another. Here we have a 19 Hexagon, 37 Hexagon & 73 Hexagram combinations. Where the orange center is the 19 and the orange and blue make the 37 and all three colors make the 73. So that the blue is a separate numerics and the red is also a separate numerics.

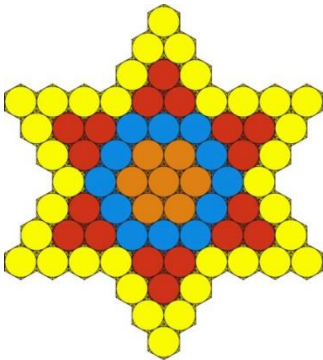

The red would be  $73 - 37 = 36$  and the blue would be  $37 - 19 = 18$ . Then this will bring us to the next configuration. This is the 19 Hexagon, 37 Hexagram & 73 Hexagram. Where the orange center is the same 19 and the orange and blue make the 37 and all three colors make the 73. So the separate numerics would be identical as the previous with only the arrangement and placement alteration. This is the foundation of this logical progression that can be seen as a graphic. Then we take this to the next level and see the 7

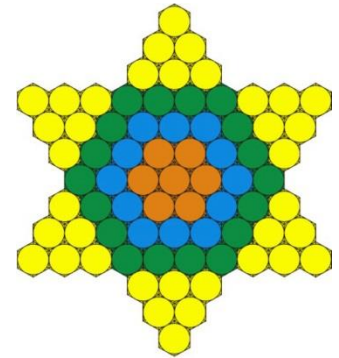

Hexagon, 19 Hexagon, 37 Hexagram & 73 Hexagram. Now are values will change with the orange 7 the blue 12 the red 18 and the yellow is 36. This is where the values show the total  $7 + 12 + 18 + 36 = 73$ . Then we go further with this with the 7

Hexagon, 19 Hexagon, 37 Hexagon & 73 Hexagram. The numeric values remain where the red of the previous equals the green of this. So here green is 18.

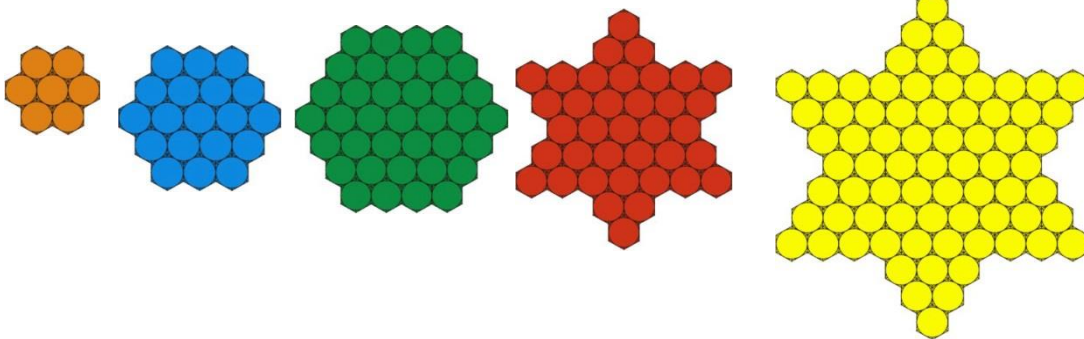

Now we will take this to a much further level of valuation in the form of  $37 \times 73 = 2701$ . This level of numerology will show that there are hidden levels of numerics involved in such a way as to show an intelligent design in all things. There is no

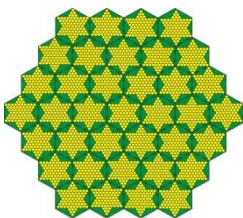

way around this glaring fact. It is a detrimental fallacy to act like this is not true and anyone who takes that easy way out is not only fooling themselves but also anyone else who is listening to them. This is the case of any Darwinian Evolutionist or anyone subscribing to

his philosophies.

Here we have the presents of numeric values represente

d in these shapes. Orange = 7; blue = 19; Green = 37; Red = 37; Yellow = 73. Now when making each of the "circles" a value we have a double value in the total of the new object.

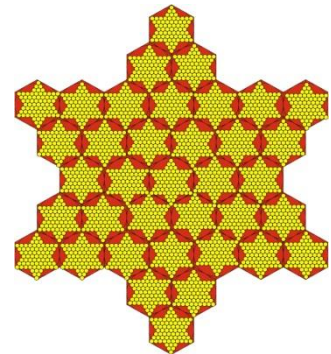

This construction makes 37, 73s. For a total of value of 2701; the significance of this number is monumental; however it is probably not obvious to the casual reader. There are numbers of significance of all the numerical numbers of the single digit number range; and a few of the double digit range; fewer of the triple digit range and very few of the quadruple digit range. This is one of those far and few numbers of significance that is a quadruple digit. And for this reason: the values of the numbers of 2701 are

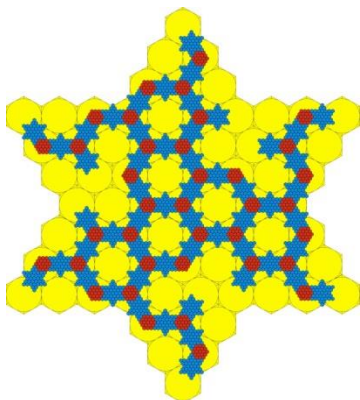

1. the spirit of the LORD
2. the spirit of wisdom
3. (the spirit of) understanding
4. spirit of counsel
5. (the spirit of) might
6. the spirit of knowledge
7. (the spirit) of the fear of the LORD

This is a direct prophetic reference to the Lord Jesus Christ according to Isaiah 11:1, “And there shall come forth a **rod out of the stem of Jesse**, and a **Branch** shall grow out of **his roots**.” And is given in Revelation 5:5, “And one of the elders saith unto me, Weep not: behold, **the Lion of the tribe of Juda, the Root of David**, hath prevailed to open the book, and to loose the seven seals thereof.” And in Revelation 22:16, “**I Jesus** have sent mine angel to testify unto you these things in the churches. **I am the root and the offspring of David**, and the bright and morning star.” It is important to understand this number 7 or all the 7’s listed in the Bible become pointless. And where there are seven sevens it is even more important. This is why there are seven elements of logic and the neurological processes involved in study or deduction. Without them, you cannot rightly divide or discern between things that are similar but different. You **MUST** get the differences before the similarities else you make them the same in all points which can be devastating. Look at the stick and the snake: they both are round, and long. But are they the same? **NO!** If you assume this just because they are the same in **ONE** point then you stand to be bitten by the stick! Come on now, that is funny! Rightly dividing the truth will give you the proper understanding of the Bible. Joining things together that do not belong together will always cause problems. Things that are not the same are not equal unless you are God! Then  $1 = 3!$  The 7 however is a unique number of all the single digit numbers it alone will not divide evenly into a 360° Circle.  $0\ 7\ 7\ 3\ 4$  is the numerical representation of hello in numbers upside down. To put this on a calculator you have to put the decimal between the 0 and first 7. This number is 3 sevens! You can also leave off the 0 and then you have hell.

The formation of the construct of 37, 73’s is the basis of all creation. It is the form in which everything exists and functions.

Genesis 1:1 has in it structure this formula which you can see in my two studies on Genesis 1:1 on <http://www.av1611kjb.org>.

The math behind 2701 in the complexity of creation is in the numbers of the sequence given in this form:  $(54 \times 37) + (37 \times 19) = 1998 + 703 = 37 \times 73 = 2701$ . It is the number 37 that is the key to unlocking the secrets of the universe. 37 is a common factor of all triple repetitive digit numbers.  $3 \times 37 = 111$ , etc. All in multiples of 3; see my study on 37<sup>th</sup> for a complete listing of 37s.

The seven elements of the neurological process are simply the means in which every point can be examined from every angle leaving no stones unturned. It allows for a complete and decisive study of anything and everything. The trouble comes when the

information is inaccessible or not supplied or is tainted in some way. The rule of tainted information is that: no matter how sound you are in your reasoning and logic, if your premise is a lie, false or otherwise tainted your conclusion will also be a lie, false and tainted. As they say in computer programming: Garbage in, Garbage out.

The Who, What, Where, When, Why, Which and How reasoning of inquisitive thought process and deduction gives you an overall view of the question at hand and even though you may not be able to ask every question, you still have the structure from where to start. If the reasoning is between numbers or words or between people or objects proper deduction of the problem can lead to a resolution and solution. Guesswork is not permissible in this idea. This can lead to assumptions and misguidance and can lead to misunderstandings. These in turn can lead to improper conclusions and misappropriation.

It is therefore vitally important to deal with the facts; to deal with the truth and avoid any form of assumption of guesswork. In Bible study it is also important to get the context of a text prior to understanding any cross-reference. A cross-reference out of context could lead to error, bad doctrine or even heresy. The order of exegesis is:

1. Context: a text without a context is a pretext.
2. Cross References within their contexts.
3. Typology (which is never a 100% relationship)

A note about typology which is never a 100% relationship in the comparisons must be avoided without first the plain reading of the text within its context; with cross references diligently compared and only apply typology where there is a clear cut reference to that type in the plane text and context of a comparative passage. The level of frustration that comes from misappropriation of passages can lead to disassociation and cause mistrust and even division and church splits. This is usually a fault of someone assuming something instead of getting all the facts and dealing with the truth. This is becoming more prevalent as many people tend to deal with their inability to separate their thinking through logic from their emotional enumerations. The obligatory affect is that their decision making is based on “does it make me feel good” or “I like this, I don’t like that” or “I prefer this, but do not prefer that” and they do not make their decisions based on “is this right or wrong” or “is this good or bad” and that is because of a bad and dirty heart.

The trouble is that heart; it loves all the wrong things. It is enamored by lust of the flesh and the world and getting all it can get.

1 John 2:15-17, “**Love not the world, neither the things that are in the world.** If any man love the world, the love of the Father is not in him. For **all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life,** is not of the Father, but **is of the world.** And the world passeth away, and the lust thereof: but he that doeth the will of God abideth for ever.”

Love NOT the world:

1. Lust of the Flesh
2. Lust of the Eyes
3. The Pride of Life

These are the worldly lusts that the heart of man paints after. It is not altered just because you are saved from hell. It is not altered just because you are born again. You **MUST** live your life reckoning self to be dead. Self is the flesh, the workings of the brain or the carnal mind, and the heart of your very soul. These things will drag you down; cause you to miss something and make your life a waste for the Lord.

The trouble happened when Eve listened to that old serpent the Devil and Satan who tempted her and that ended up in this: Genesis 3:6, “And **when** the woman **saw** that the tree **was good for food**, and that **it was pleasant to the eyes**, and a tree **to be desired to make one wise**, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat.”

1. She saw that it was good for food
2. Pleasant to the eyes
3. To be desired to make one wise

This matches the list from 1 John 2:15-17 and it also matches the temptations of the Lord Jesus Christ.

Matthew 4:1-11, “Then was Jesus led up of the Spirit into the wilderness to be tempted of the devil. And when he had fasted forty days and forty nights, he was afterward an hungred. And when **the tempter** came to him, he said, **If** thou be the Son of God, **command that these stones be made bread**. But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God. Then **the devil** taketh him up into the holy city, and setteth him on a pinnacle of the temple, And saith unto him, **If** thou be the Son of God, **cast thyself down: for it is written**, He shall give his angels charge concerning thee: and in their hands they shall bear thee up, lest at any time thou dash thy foot against a stone. Jesus said unto him, It is written again, Thou shalt not tempt the Lord thy God. Again, **the devil** taketh him up into an exceeding high mountain, and sheweth him **all the kingdoms of the world, and the glory of them**; And saith unto him, All these things will I give thee, **if** thou wilt fall down and worship me. Then saith Jesus unto him, **Get thee hence, Satan**: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve. Then **the devil** leaveth him, and, behold, angels came and ministered unto him.”

1. command that these stones be made bread
2. cast thyself down: for it is written
3. all the kingdoms of the world, and the glory of them

The same list is in Luke 4:1-13, “And Jesus being full of the Holy Ghost returned from Jordan, and was led by the Spirit into the wilderness, Being forty days **tempted of the devil**. And in those days he did eat nothing: and when they were ended, he afterward hungered. And **the devil** said unto him, **If** thou be the Son of God, **command this stone that it be made bread**. And Jesus answered him, saying, It is written, That man shall not live by bread alone, but by every word of God. And **the devil**, taking him up into an high mountain, shewed unto him **all the kingdoms of the world in a moment of time**. And the devil said unto him, All this power will I give thee, and the glory of them: for that is delivered unto me; and to whomsoever I will I give it. **If** thou therefore wilt worship me, all shall be thine. And Jesus answered and said unto him, **Get thee behind me, Satan**: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve. And he brought him to Jerusalem, and set him on a pinnacle of the temple, and said unto him, **If** thou be the Son of God, **cast thyself down from hence: For it is written**, He shall give his angels charge over thee, to keep thee: And in their hands they shall bear thee up,

lest at any time thou dash thy foot against a stone. And Jesus answering said unto him, It is said, Thou shalt not tempt the Lord thy God. And when **the devil** had ended all the temptation, he departed from him for a season.”

1. command this stone that it be made bread
2. all the kingdoms of the world in a moment of time
3. cast thyself down from hence: For it is written

The devil will use the weakness of your flesh and the world around you and your own lusts against you. James 1:14-16, “But **every man is tempted, when he is drawn away of his own lust, and enticed. Then when lust hath conceived, it bringeth forth sin: and sin, when it is finished, bringeth forth death.** Do not err, my beloved brethren.”

He is not to be trifled with, nor is he to be underestimated. He is a master tempter; unscrupulous, lying deceiver who will stop at nothing to hinder your growth in the Lord.

These seven neurological processes are not just mental actions of your carnal mind; but a thought process of the mind of your soul; that is the conscious you inside. You should be the one in control and forcing your body to obey, directed by the Spirit of God inside you that bears witness to the Truth of the Bible that you have inside.

It is important to understand that these things do not impart spirituality; however, they do pave the way for attaining spirituality through understanding the knowledge attained by Bible study.

2 Peter 3:14-18, “Wherefore, beloved, seeing that ye look for such things, be diligent that ye may be found of him in peace, without spot, and blameless. And account that the longsuffering of our Lord is salvation; even as our beloved brother Paul also according to the wisdom given unto him hath written unto you; As also in all his epistles, speaking in them of these things; in which are some things hard to be understood, which they that are unlearned and unstable wrest, as they do also the other scriptures, unto their own destruction. Ye therefore, beloved, seeing ye know these things before, beware lest ye also, being led away with the error of the wicked, fall from your own stedfastness. But **grow in grace, and in the knowledge of our Lord and Saviour Jesus Christ.** To him be glory both now and for ever. Amen.”

You are to grow in the Lord because God has giving you an understanding that He wants for you to understand what His will is. Ephesians 5:17, “Wherefore **be ye not unwise, but understanding what the will of the Lord is.**” God knows our weakness but expects you to learn to learn and understand His understanding. 1 John 5:20, “And **we know** that the Son of God is come, and **hath given us an understanding,** that we may know him that is true, and we are in him that is true, even in his Son **Jesus Christ. This is the true God, and eternal life.**”

Perhaps you are reading this and you are lost; perhaps you do not know for sure where you are going when you die. You CAN KNOW you are going to heaven if you want to know.

If you are unsure, why not make sure NOW? Salvation is very simple; perhaps all these things in this study seem out of reach and totally impossible to you or confusing. That would be understandable if you do not have the Holy Spirit inside you helping you understand spiritual things.

If you would like to get saved it is as easy as A, B, C:
