Someone had a problem with this study on numbers so here is my response:

I do not find it a problem unless you allow it to be a problem. I do agree there are harassing demonic powers all around. But the numerics showing up are not new. The 111 enigma is the foundation of the triple rep digits because it is 3×37 . It is not demonic in nature. The trouble with your quote: "...the Bible warns us not to look for omens and signs." is that the Bible does say to look for signs of the times but not omens. There is a difference. Your Old Testament text did not say not to look at the signs of the times. It said not to go by them or live by them. Or use them in sorcery of any kind. However the Bible also says: Matthew 16:3, "And in the morning, It will be foul weather to day: for the sky is red and lowring. O ye hypocrites, ye can discern the face of the sky; but can ye not discern the signs of the times?" By the way that was what Jesus Christ said. So it is not a matter of running your life BY these things, but the issue is one of DISCERNMENT. It is the Blood of Jesus Christ the Lord that cleans us and it is the Blood of Lord Jesus Christ that fights off the unclean spirits. The Holy Spirit leads the true believer to the truth, because he is the Spirit of Truth and points always to Lord Jesus Christ. The demonic spirits are from the product of the fallen sons of God in Genesis 6. Their seed produced a race that was drowned out. That race was embodied humanoid spirit beings that had no souls. When they drowned in the Noadic flood, they became the demonic beings under the leadership of Satan. The study of numbers show that the Bible is INSIDE our number system and that the Space / Time continuum is numerically the number 37. The wrap around enigma of the numerics shows the signs of the times. We are in the times of the END of this age. The times we are in now are 555. The next event will be the disappearing of millions of people and this event will usher in the next times of 666 which will last for seven years. Then will be the next event that will usher in the times of 777. The triune numbers are not demonic; they are however supernatural and all correspond to the center of the universe numeric: 37.
