

Why I am NOT a Roman Catholic

By: David A. Sargent

1. Catholic is not in the Bible, neither is Pope or Nun.
2. There are no Catholics in the Bible: they are first called Christians in Antioch not Rome. Acts 11:26, "And when he had found him, he brought him unto Antioch. And it came to pass, that a whole year they assembled themselves with the church, and taught much people. And the disciples were called Christians first in Antioch."
3. Rome KILLED Jesus Christ, and most all the Apostles including Peter.
4. Catholics had no bearing on the Bible; it is a Jewish book not a Roman one.
5. I never have trusted any Catholic to get anything right, they did not get the Bible right and God never asked any Roman or Catholic for any advice about it.
6. The Bible tells you how many books should be in the Bible. Isaiah is a map of the Bible and tells us exactly how many books are in the Bible with the break at the right place between testaments.
7. Your statement that there was no Bible canon for 365 years after the resurrection is not historic it is your perverted view from Pagan Rome, and has nothing to do with truth or facts.
8. The Trinity IS found in the Bible, and so is "believing the Bible is God's words" and NOT man's words. But I do not expect any Roman to understand any of this. The Trinity is found in 1 John 5:7, "For there are three that bear record in heaven, the Father, the Word, and the Holy Ghost: and these three are one." And believing the Bible (what you call Sola Scriptura meaning Bible ONLY) is found in 1 Thessalonians 2:13, "For this cause also thank we God without ceasing, because, when ye received the word of God which ye heard of us, ye received it not as the word of men, but as it is in truth, the word of God, which effectually worketh also in you that believe."
9. You said that "The Gospel of John ends with the proposition that not everything that Jesus said or did is recorded or could be recorded" Oh is that what it says? No actually it does NOT say that at all: John 21:25, "And there are also many other things which Jesus did, the which, if they should be written every one, I suppose that even the world itself could not contain the books that should be written. Amen." And the END of the Bible tells you not to add to the words or subtract from them: Revelation 22:18-19, "For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book: And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book."
10. You do not understand what the New Testament actually is. Luke was writing most of his Gospel as things were unfolding. As a medical doctor he had to keep records. There were many scribes that kept records during the time: as a tax collector Matthew was another record keeper. It is amazing to me how ignorant Catholics can be.
11. Your comment "To understand church history, is to cease to be a protestant." Is arrogant, ignorant and foolish. I'm sure you know how to spell church, I am not making a point of that; however I never was a Catholic, I never subscribed to transubstantiation. This phenomenon is a LIE. The substance is not being transferred into another substance! And if it was, that would only make you Pagan Romans Cannibals. You believe you are eating human flesh and drinking human blood? Really? Who are you trying to kid?

12. You said "If you are looking for the ONE church that Jesus founded that the gates of hell will not/have not prevailed against...you should look at the first non-denominational church...the one with the body, soul and divinity of our Lord still in the tabernacle." Well, I am NOT looking for anyone's church. I have already found it, and it is not ROME! The trouble is you think Peter is the Rock that Christ founded the church on: Matthew 16:18-19, "And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it. And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven." Even though it does not say that, this is still ROMES proof text for their lie: I however accept that challenge, and therefore your church is founded on Satan: Just a few verses after the above: verse 23, "But he (Jesus) turned, and said unto Peter, Get thee behind me, Satan: thou art an offence unto me: for thou savourest not the things that be of God, but those that be of men." Jesus Christ called Peter: SATAN!
13. The Mass is not in the Bible; Transubstantiation is NOT in the Bible; Rome tortured and murdered hundreds of people during the Reformation. Rome sanctioned Hitler as a baptized Roman Catholic, and never excommunicated him for his crimes. Rome hates Bible Believers who expose them for the false church and pagan idolatrous whore she is. The Roman Catholic Cult is NOT Christian any more than the moon is made out of cheese.
14. My condolences to all Roman Catholics for being deceived and lied to and thinking you are going to wake up in purgatory in a fire that is purging away your sins; only to find out that it is too late and you are actually in HELL FIRE and DAMNATION. Because you never received Jesus Christ as your personal Savior; instead you thought that means to EAT HIM! When the Bible tells you: John 6:53-56, "Then Jesus said unto them, Verily, verily, I say unto you, Except ye eat the flesh of the Son of man, and drink his blood, ye have no life in you. Whoso eateth my flesh, and drinketh my blood, hath eternal life; and I will raise him up at the last day. For my flesh is meat indeed, and my blood is drink indeed. He that eateth my flesh, and drinketh my blood, dwelleth in me, and I in him." Yet you think he is speaking literal here when after this in verse 63 where Jesus Christ completely explains this passage and it is NOT what ROME has taught you at all! "It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life." They have lied to you about what the Bible SAYS!

If you have gotten thought all this, you are probably either made at me or mad at Rome. At any rate I am a Bible Believer. I believe the Bible over and above all else. It will never be altered even though many have tried throughout the years. It is a more sure word of prophecy than anything else. You would do well to take heed to it and leave Rome alone. There is a mystery religion that comes from Babylon, and has permeated every culture from the days of Babel and Babylon's first king Nimrod. All religions can be traced to that original source for all the false doctrines taught around the world. Rome took on the most deceptive form of this idol worshipping whore in the disguise of a Christian Church, when it is actually pagan Babylon.
