The Prison Ministry of David A. Sargent

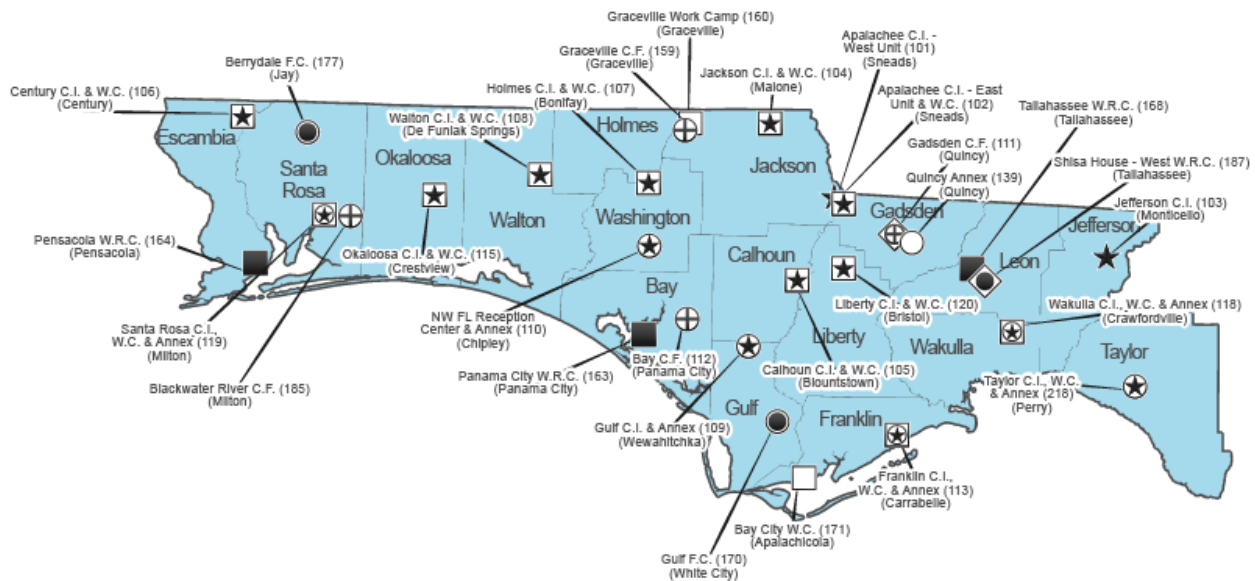

The Prisoner of Jesus Christ Ministry is the prison ministry of David A. Sargent started in 2010 going into the prison system in Okaloosa Correctional Institution in Crestview FL & Santa Rosa Correctional Institution in Milton, FL; and would like to expand to more location in the Florida Panhandle area.

We are serving the Lord in the prisons of North West Florida: Preaching, Teaching, Visitation and Counseling. Our goal is to see none of our students return to prison. We teach personal life changing studies and believe that a life changed is better than the chains in life.

Our goal here is to fund this ministry to be able to go into more prisons and become full time in this endeavor. If you can help: please donate to this cause. The fewer prisoners that come out as non-repeated offenders, the better it will be for ALL of us.
