Once the league is confirmed as a covenant it is in force. When this happens the Tribulation starts and accelerates until midway; when the man of sin defiles the temple and breaks the covenant of seven years. But the covenant is still seven years because it is Sabbatical and Jewish in nature to bring peace to the Middle East. But it was a lie!

There is a gradual progression from the onset in Revelation 6 of war even though the media will be in concord with this man of sin in the deception of peace when there is no real peace. This fabricated lie will deceive many people that are not affected by the wars. They will be primed for a few years to believe anything and everything this Antichrist man of sin says and he will look like he has the answers for all the world's problems. But it is a deception because he is the man of sin and the Lie himself.

This progression will give him great power and he will use it to deceive more and more until he attains to his world power and annihilate all his oppositions in the name of peace. He will practice his lying craft and there will be pseudo-prosperity but the time will be short lived because he has an ulterior motive behind all his scheming.

Midway through his seven year covenant of peach and safety he will break his own seven year covenant and walk in behind the veil into the Holy of Holies and sit on the mercy seat and proclaim that he is God! He will do this without blinking an eye. He will then reveal his true motive and will demand worship and will do this on pains of death to anyone that does not worship him. But some of the Jewish leaders will realize that they were deceived and one will hit this antichrist with a sword in the head and give him a deadly wound. But the Pope will step in and touch him and his wound will be healed and then people see him come back to life. There is a demand for his image to be made in that place and this is the removal of the daily sacrifice and the defilement of the temple. Then there will be no buying or selling unless you have his name, mark or 666 in your hand or forehead. From this time to through the next three and a half years the judgments are stepped up so that it is a much greater tribulation than the first half. Then was false peace; but now is no peace: not even a false one. It will be the worst time in history ever to have been or ever will be.

During this time the judgments will escalate exponentially and the level of catastrophes will be enormous and extremely devastating to the population of the world. It will be during this time that this Antichrist, the man of sin; now the son of perdition will try to produce his own utopia with himself as the ruling class and many devils will be summoned up from the underworld and appear out of the ground and it will be a living hell on earth. The worse nightmare ever but in real life; and not even Hollywood could come up with a slasher, smasher, or a horror movie that would come close to this. It will be without equal because it will not be on the silver-screen. It will be actually happening in front of the faces of the people that are there and they will experience the torment of that time. They will experience the utter terror of the Lord and the wrath of God poured out without mixture on them for their worship of this son of perdition.

If you try to date this you need to go by either a Hebrew Calendar or a Gentile Calendar.
This is a prophetic Calendar and is not datable.
This is set up by the prophetic calendar of 360 days in a year
The Gentile calendar would have 365¼ days which would include the leap year amount or 365 without a leap count;
and then you would have to add the leap day for the leap year for an accurate count of days.

The Gentile Calendar NEVER has 360 days in a year.

Thirty days hath September,
April, June, and November;
All the rest have thirty-one,
Excepting February alone,
And that has twenty-eight days clear
And twenty-nine in each leap year.

Thirty days have November,
April, June, and September.
With 28 there is but one.
All the rest have thirty-one.

The gentile Calendar is a 365 day a year
unless it is leap year and then 366 days.

The Gentile Calendar													
Normal Year:							Leap Year						
365	X	7	=	2555	Days		366	X	7	=	2562	Days	

The Jewish Hebrew calendar NEVER has 360 days in a year.															
Normal Year:							354	383	Leap Year						
1 Alt Month:							355	384	1 Alt Month Leap Year						
2 Alt Month:							356	385	2 Alt Month Leap Year						

The Hebrew Calendar staggers each month with 30 and 29 day months.	
However two months alter between 30 and 29 depending on the new moon.	
There could also be both alternat month occuring the same year.	
The leap year adds a whole month that also has these alternate month days.	

The Hebrew Calendar													
Normal Year:							Leap Year						
354	X	7	=	2478	Days		383	X	7	=	2681	Days	
355	X	7	=	2485	Days		384	X	7	=	2688	Days	
356	X	7	=	2492	Days		385	X	7	=	2695	Days	

The Prophetic Calendar													
				360	X	7	=	2520	Days				
				360	X	3.5	=	1260	Days				
				42	mths	30	=	1260	Days				

The Bible uses a Prophetic Calendar to Calculate Time, Times and Their Divisions. No other Calendar will work for prophecy calculations. The Bible shows you this if you are a Bible believer you can just do the calculations for yourself.
